TROOPERS SAID TO BE ACROSS BORDER

Persistent Report in Army Circles
That 1,500 Cavalrymen Are
Seeking Villa

HOPE TO HEAD OFF BANDIT

Believed he Has Reached Sierra
Madre Mountains, Long One
of His Strongholds

LID PLANKED DOWN ON NEWS

All Telegraph Wires Out of Colum-
bus, N. M., Are Under Strict
Military Censorship

(By United Press.)
San Antonio, Texas, March 14.—That a flying column of 1,500 American troopers under the lightest possible equipment supplied with two weeks of rations and plenty of water crossed the border early today is persistently asserted by men in close touch with army circles. Reports of actual fighting between this advance expedition and Villistas are momentarily expected.

The column is said to have crossed the international boundary headed west and south of Columbus with the intention of throwing a line of United States soldiers between Villa and the Sierra Madre mountains, long a Villa stronghold. It is believed here this purpose has already been accomplished.

The lid has been planked on news from the border west of El Paso, it was officially announced at General Funston's headquarters at Ft. Sam Houston today. Officials stated that General Pershing's action in seizing the telegraph office at Columbus, N. M., and placing the wires under strict military censorship was prompted by the discovery that military messages were being held up in favor of commercial and press telegrams, the delay in some cases amounting to eight or ten hours.

TO INCREASE THE U. S. ARMY
(Administration Decides to Raise it
to War Strength)

(By United Press.)
Washington, March 14.—Urgent action to increase the army by 8,000 men to its full war strength was decided on by the administration today. Secretary Baker asked congress to pass a resolution immediately and it is expected to pass late this afternoon in the house.

Baker and Chairman Hay of the house military committee with whom the proposed plan originated, discussed it. Baker felt that specific authority from congress should be asked and given. Increase in the army above the recognized war footing is not now contemplated.

Final orders for the Villa hunt were in General Funston's hands today. Telegraph wires hummed with details of the punitive expedition and all Washington waited for the news of the border crossing.

TO FORESTALL EXPEDITION TO MEXICO

Carranza Government Has Military
Scheme to Capture Villa Before
U. S. Soldiers Get to Him.

(By United Press.)
El Paso, Texas, Mar. 14.—"Carranza forces will have Villa before the end of the week," announced General Gutierrez in Juarez today, outlining what is believed to be an effort to forestall the American expedition into Mexico.

"The Carranza government can take care of Villa," Gutierrez continued. He outlined a comprehensive military scheme to surround Villa and indicated that the Carranza forces already have the bandit virtually surrounded in the Galeana district of Chihuahua.

Galeana, which gives its name to the neighboring district, is a small town in Chihuahua about 110 miles almost due south of El Paso. It is nearly fifty miles west of the national Mexican railroad and within a day or two ride of the Mormon colonists in the Casas Grandes district.

United Press advices early today reported Carranza's determination to capture Villa as a means of preventing an American invasion of Mexico.

"Five cavalry columns of 1,200 men each have been ordered into the field to pursue Villa," said the Carranza leader. "They will draw a complete ring around Villa."

may already have touched Mexican soil, it is thought, but army officers believe the start of the main expedition under General Pershing from Columbus will not take place before tomorrow at the earliest.

With American troops on the eve of marching into Mexico, President Wilson was threatened with a new revolt in congress today.

An outburst of criticism was threatened in the senate over the president's agreement with Carranza troops to enter American territory and house members also threatened to explode with vigorous criticism. Instead of the solid support and approval given the president in his plan "to get Villa," both congressional bodies bubbled with protest.

NO DANGER OF BREAK

(By United Press.)
Mexico City, March 14.—The danger of a break between the United States and the Carranza government has passed, according to articles in the morning newspapers, evidently inspired by Carranza officials.

CROW WITH WHITE WINGS

A freak of bird life—a crow with beautiful, snow-white wings—has caused a lot of curiosity down in Gowdy neighborhood in southwestern Rush county. The crow has been seen by several. Yesterday Dave Alter, reporter for the United States department of agriculture in this district, got close to the bird and found that it really was a crow with white wings. He sent a report to the department of agriculture, with the request that he be informed whether anything of the kind was ever seen before.

Daily Republican Celebrates Twelfth Anniversary Today

This belongs under the head of "Congratulations To—." Today was the Daily Republican's birthday. Twelve years ago it was born a daily. Those twelve years have been fruitful ones, full of progress and constantly increasing efficiency and service.

Through all the half score and two, the owners of the Daily Republican have continually striven for a better newspaper and increased patronage reveals that their efforts have not been without avail. One year ago today the Daily Republican was printing 1905 papers each day. Today 2130 papers were issued from the press.

The twelve years have witnessed a remarkable evolution in the Daily Republican. During that time the Daily Republican was moved to its present location, a building erected especially for the newspaper, and before thirteen years have rolled around, it hopes to be comfortably established in a new building of its own, erected with better efficiency and service as the watchword. The building will be located on what is commonly known as the old foundry lot, in Perkins street between Second and Third streets.

Striving ever to "keep its head above water," the Daily Republican has worked under seemingly insurmountable difficulties combatting the floods that have recurred with increasing regularity. The newspaper suffered a heavy loss by the damaging flood of 1913. That was only the beginning. Every spring since, the Republican has been harassed and embarrassed by high water. This year the flood did not wait until spring but came along in January, when it was least expected and caused a very heavy loss. Thus handicapped at the very outset of 1916, the Daily Republican had just received a car load of paper, a year's supply, last Monday, and on Monday night a water pipe on the upper floor burst, causing the loss of 21,000 pounds of newspaper. And summer is not yet here!

When the Republican is housed in its own home, there will be no basement under it and there will be nothing over it but a good, water-proof roof. Thus will all chances of a flood be eliminated. The building will be higher than any high water mark in the history of Rushville.

The Daily Republican believes that it merits the support received, else it would not have been given. In the new location, the Daily Republican will be the better enabled to give the service that the newspaper reading public of Rush county has learned to demand.

ARTHUR L. YAKY NEW POLICE CHIEF

Is Appointed by Mayor Behout Af-
ter City Council Releases Him
From Police Force

ANOTHER IS TO BE CHOSEN

Arthur L. Yakey was named chief of police to succeed John Rosenance by Mayor Behout last evening. Mr. Yakey has been a member of the police force for about two years and the position is in the nature of an advancement for him. Yakey was appointed by the city council and before making him chief Mayor Behout conferred with the council to see if the members were willing to let the mayor have their appointee.

Yakey has made a good policeman, and as he is well acquainted with the workings of the force, Mayor Behout believed he was the best man for the place. Rosenance who resigned yesterday, will leave Wednesday for Kansas where he will engage in the well drilling business. The new chief of police has the distinction of being about the tallest policeman in the state. Yakey is six feet, four inches tall and makes an imposing figure in his uniform.

GOING TO CONNERSVILLE

The degree staff of Bernice Encampment No. 12 I. O. O. F. will go to Connerville Friday evening and put on the Golden Rule degree for Whitewater Encampment No. 33 of that city. They have a large class and a large attendance is anticipated. The Royal Purple degree will be presented by the Connerville lodge. Several members from here will accompany the staff leaving on the dispatch at 6:06 p. m.

BULLETIN.

(By United Press.)
Washington, March 14.—Senator B. F. Shively of South Bend, senior senator from Indiana, died at a local hotel this afternoon after a protracted illness. He had two more years to serve in the senate.

NATHAN STANLEY CALLED BY DEATH

Well Known Farmer And Veteran
of Civil War Expired This
Afternoon Near Arlington

NATIVE OF POSEY TOWNSHIP

Nathan Stanley, a well known farmer of Posey township, died this afternoon at 1:30 o'clock at his home north of Arlington after an illness of two years from paralysis. He had been in a critical condition for the past few days and death was not unexpected.

Mr. Stanley was seventy-nine years old and was a native of Posey township, having been born on a farm within a short distance of his home farm. He was a veteran of the Civil war, having served throughout in Company E, Seventh Indiana regiment. Besides his widow he is survived by four children, Dora Stanley, Mrs. Alva Reddick, Mrs. Lizzie Cline of Indianapolis and Preston Stanley, Jr., of Indianapolis. The funeral arrangements have not been completed.

NEGLECTS CHILD, CHARGE

Mrs. Mamie Leisure Has to Answer
to Juvenile Court

Mrs. Mamie Leisure appeared in juvenile court this afternoon to answer to a charge of neglecting her two-year-old daughter, Anna Leisure. The case was to be heard by Thomas M. Green, judge pro tem. The board of charity is back of the suit as they have received numerous complaints against Mrs. Leisure. Mrs. Leisure was formerly Miss Mamie Weevie and before she married Leisure was a ward of the juvenile court.

A business meeting of the Catholic Aid society will be held with Mrs. John Keaton Thursday afternoon at her home in East Fifth street.

MOVE TO CITY; NEGLECT CHURCH

Many Become Disloyal as Lot Did,
When Given Choice of Land,
Pitched Tent Toward Sodom.

HIS CHOICE SELFISH ONE

As is Bible Story, Evil May Over-
come The Good in an Individ-
ual, M. E. Pastor Says.

Too often people who are loyal to their country church move to the city and neglect their church. Such was the case with Lot, who when given his choice of land by Abraham, chose his home near the city and as the text says, "pitched his tent toward Sodom." Genesis 13th chapter and 12th verse was the text chosen by the Rev. W. M. Whitsitt in his sermon at the St. Paul's M. E. church last evening. "And Abraham dwelled in the land of Canaan and Lot dwelt in the city of the plain and pitched his tent toward Sodom." A good Monday night crowd was in attendance last evening and after a special song service and a selection by the chorus choir, led by Clarence E. Lane, the regular service continued. The Rev. Mr. Whitsitt spoke in part as follows:

"The troubles between Lot and Abraham might have been caused by strife between their workmen or worse still between their families, Abraham saw worse trouble coming and in an unselfish way suggested to Lot that he take his choice of all the lands before him and that they separate in order to prevent further troubles. Lot in choosing the land toward Sodom, gave his preference for the city life, which afterwards told of his character.

"From this story we can gather several lessons for today. First, I notice the leavening influence of the city. God had blessed him. Several times he had been rescued from the influences of sin by leaving influences of good in the life of Abraham. In any community, if the good does not overcome the evil, the evil will overcome the good. Lot had the same capacity as Abraham, but he allowed evil to make use of his capacity instead of good.

"It was a selfish choice. He did not offer Abraham his choice, but took that which he thought would bring him the best things for worldly use. Too often, instead of people getting the world, the world gets them. It was not a question of where can I do the most for God, but where can I get the most out of life. How many of us chose in the same way? Making money is not the highest art in the world. To give it takes more grace than to make it.

"And in the third place, it was an unwise choice. He was short sighted. Put a dollar in front of a man's eyes and it will shut out the sun. So he allowed the dollar to do for him. Moreover, when Lot had once started down the hill of sin, there were plenty of people to help him down the toboggan slide."

TODAY'S ODDEST STORY.

(By United Press.)
Centralia, Kas., March 14.—Cold lunches have been banished from a country school near here. Little Helen Archer, school teacher solved the problem by having the boys trap rabbits and dress them at the morning recess. She cooks them while hearing classes. The dish is served in grand manner each day at no cost to anyone.

RECEIVED WITH VARIED EMOTION

James E. Watson's Declaration That
he Will go to State Convention
Viewed Many Ways

MANY WITHHOLD OPINION

Are Disposed Not to Render Judg-
ment Until Facts Are All in—
Choice of Republicans

Friends and supporters of James E. Watson received with mingled emotions today the pronouncement, under his own signature, that he would carry the contest for the Republican nomination for United States senator to the floor of the state convention.

His intentions were forecast somewhat by action last Friday afternoon in wiring his county managers that he would go into the convention.

It is revealed that the Rushville candidate is by far the choice of the Republican voters outside of Indianapolis. By mathematical calculations, it is shown that Watson has a plurality of about 7,000 votes over New outside of Marion county, where New ran so strong that he even surprised himself and his managers.

A variety of opinions were expressed among Watson admirers, but the majority of them were content to withhold their judgment until the facts were all in. They feel that Mr. Watson has canvassed the ground well and has taken stock of all conditions and chances of the future before reaching a final decision.

Although the report has gone forth that the Wayne county delegation is solid for New, information from Richmond is that at least five of the fifteen members of the delegation will support Watson to the finish. There may be other Watson men in the delegation. Considerable comment has been aroused by the editorial from the Newcastle Courier, a Watson newspaper during the campaign, saying that it would support New for the convention. Watson managers, however, are certain of getting the majority of the Henry county delegation, it is said.

Mr. Watson's statement is as follows:

"Upon the returns received, it is necessary under the provisions of the primary law that the state convention shall name our party's candidate for United States senator.

"While my campaign has been Continued on Page 8.

Give the Manufac- turer the Facts

Mr. Dealer, when a manufacturer enthralls about his advertising plans to you, give him the facts.

Say to him—

"I don't know all about advertising, but I do know that the goods on my shelves that are advertised in the local newspapers are the goods that make new customers for me.

"And, by the way, these newspaper advertised goods are not on the shelves.

"They are out in the show window and over there on the counter."

Tell him he could have clinched the market at the start if he had promised you a newspaper campaign. He could have lined up New Distribution, Your Support and Consumer Demand—the three real factors in merchandising.

Executor's Sale of Personal Property

Notice is hereby given that the undersigned as Executor of the Will of John C. Seiger will offer at public sale the following personal property of said deceased at his late residence, one-fourth mile west of Falmouth, Indiana, on

MARCH 22, 1916

OLD-TIME COLD CURE—DRINK TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

County News

Glenwood.

Mrs. Fisher and Mrs. Arthur Reynolds and son Garrett and daughter Vera were visiting in Indianapolis last Saturday.

Otto Camerson transacted business in Indianapolis last week.

Ora Smith of near Fairview was a business visitor in Rushville Saturday.

Clarence Cair, Robert Longfellow and J. E. Holmes were in Rushville on business Saturday.

Prayer meeting and a Sunday school board meeting will be held at the M. E. church Wednesday evening.

Mrs. Alice Combs and Mrs. Mattie Dent came home from Martinsville, where they went for their health, last Friday. Mrs. Pearl Wright, who went with them, will remain for some time.

The Rev. Daniel Ryan preached two most interesting sermons at the M. E. church Sunday morning and evening. At the close of the morning service he took up the collection for the Methodist hospital at Indianapolis.

Mr. and Mrs. John W. Mauzy and Mr. and Mrs. A. J. Britt and daughter Margaret dined with Dr. and Mrs. J. E. Walther on Sunday.

Mrs. Marcus Kendal and daughter Marcie were shopping in Rushville on last Saturday afternoon.

Thomas A. Reed was a business visitor in Rushville Saturday evening.

Dan Laughlin was a business visitor in Connorsville Saturday afternoon.

Jess Vandiver is building a livery barn close by the I. & C. on the Fayette county side of the county line. Before long he will be equipped to take care of the public in regard to auto and horse livery.

Several from here attended the show given by Orange high school at the Odd Fellows hall in Falmouth on Saturday night. Everyone spoke highly of the entertainment.

The usual services were held at the United Presbyterian church Sabbath afternoon.

The Rev. Daniel Ryan has an engagement to lecture in Indianapolis on March 17.

James A. Fisher, principal of the high school, attended the district meeting of teachers at Connorsville Friday night and Saturday.

The school term is nearing the end. Some seem glad that it is and others do not. The Glenwood school has been exceptionally good this year and much has been accomplished.

Tribute to Woman.

When the Lusitania went down to its watery grave, taking one of our prominent writers and his wife, leading papers published a remarkable literary tribute previously paid by the husband to the wife. This was because she had been such a helpmate to him in carrying out his ideals. Thousands of women have the ambition to be such helpmates to their husbands, but lack the necessary health. Every such woman should remember that Lydia E. Pinkham's Vegetable Compound is the one remedy which will restore health and strength, the unrivalled medicine for woman's ailments.

Low 20th Century Manure Spreader A Durable Machine

THE Low 20th Century spreader is durable because it is built almost entirely of steel. The main frame is steel, braced with steel. Both front and rear trucks are steel. All driving parts are steel. The controlling levers and even the seat are of steel. The only wood entering into the construction of this machine is used in the sides of the box, the apron slats, the beater bars, and the tongue. In these places the kind of wood used is more durable than steel.

Besides being durable the Low 20th Century spreader is without exception the most efficient spreader on the market. The features that make it durable and efficient will have to be seen to be thoroughly understood. The dealer has a sample machine set up, and can show you these features better than we can tell you in fifty advertisements. Go in and see the machine.

Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre. The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Haines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S.

Gordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There certainly MUST be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

—Mr. and Mrs. H. S. Stevens of Knightstown spent the day here with friends.

—R. F. Seudder has returned from a short visit with relatives in Crawfordsville.

—Mrs. Jennie Webb went to Anderson this morning to spend several days with friends.

—Claude Crane of Milroy passed through the city this morning enroute to Indianapolis.

—Mrs. Emma Earhart of Greensburg arrived today for a visit with her sister, Mrs. William Booth.

—Mrs. William Alexander, Mrs. Lenore Blackledge and son spent yesterday with friends in Indianapolis.

—Miss Winnie Muir went to Knightstown this morning for a short visit with friends in Neweastle.

—Mrs. D. C. Armstrong of Fortville, Ind., is here visiting for a week Miss Mary Amos of North Perkins street.

—Mrs. W. A. Caldwell went to Anderson this morning for a visit of several days, with Mrs. John A. Jones.

—Mrs. Elwood Kirkwood of Mauzy has gone to Indianapolis for a two week's visit with friends and relatives.

—Revelo Ferguson of Indianapolis visited here this morning enroute to Marion where he will make a short business visit.

Amusements

The first chapter of the thrilling serial "The Girl and the Game," will be shown tonight at the Gem. Helen Holmes is featured. "The Girl and the Game," is said to be one of the greatest railroad dramas ever written. The picture will be shown at the Gem every Tuesday. The other picture tonight is a comedy entitled "The Reformers." Fayette Perry and Alice Dovey are featured. Tomorrow the two act drama "Vindication" and the comedy "Deserted at the Auto" will be shown.

The Mystic offers a two act drama "A Difference in Opinion" for the first picture tonight. Joseph MacDermott and Mary Malatesta are featured. The second picture is a comedy entitled "Billie Joins the Navy." Billie Reeves is featured. The last is a railroad drama "Train Order No. 45," in which Helen Holmes is featured. Tomorrow matinee and night the Mystic will show the feature picture "A Modern Magdalen." Catherine Countess and Lionel Barrymore are featured.

The Princess offers a three reel comedy entitled "The Skating Rink" for the program tonight. Gertrude Bambrick, Madge Kirby and Gus Pixley are featured. It is a humor-

Neglect of Three R's.

Education in our day is wonderful in its scope and the broad acreage it attempts to cover, but the structure erected too often suggests a top-heavy affair on slender poles that are not firmly planted in the ground. This analogy presents itself as a by no means inappropriate one after reading the following extract from the report of the New Jersey State Board of Education's visit to one of the normal schools in that State:

"These students, or nearly all of them, had passed through the eight years of primary and grammar school and the four years of high school, and had entered the normal school. Yet out of eighty-six no fewer than forty-nine were unable to tell whether a man had gained or lost, and how much, who had sold two horses for \$400 each and on one had gained 20 per cent and on the other had lost 20 per cent! And if such is the showing of the high school graduates, what is the probable condition of mere grammar school graduates, only 5 per cent of whom go on to the high schools? It is possible that a better showing would have been made if the examination had been confined to questions in civics, sociology, botany, poetical analysis, or something of that sort."

Admitting that modern youth should have the advantage of every branch of learning that interests its teachers, it is still pertinent to remark that better practical results could be obtained from less sociology and more elementary arithmetic, less civics and more spelling, less botany and more English com-

True Secret of Keeping Youthful Looking

(The Beauty Seeker.)

"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these requisites, poisonous waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face."

"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from the humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of mercurial origin. There is no habit-forming constituent in 'Santanel' tablets—that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Santanel tablets, which may be procured from any druggist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

The Constipation Curse

Constipation—clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities. Santanel Laxatives bring quick relief. All vegetable—contain no calomel. Ten doses for a dime at any druggist. Physician's sample free, upon request, if you mention this advertisement. The Santanel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

position, during the earlier periods at least. A smattering of many sciences may be serviceable, but a solid and lasting foundation formed of the three R's is their first great need. To build such a foundation thoroughly is dreary drudgery no doubt, and the task is much less inviting than instruction in the more advanced branches that so soon crowd the three R's off the stage, but it is worth while to keep in mind the fact that the public schools are intended for the good of the pupils rather than for the entertainment of the teachers.

The Modern Child.

A correspondent of the New York Sun has written from Virginia to complain of affliction of ill-mannered children brought by visitors into his home, describing at some length the annoying behavior and the depredations of a troop of seven ill-mannered and "rapacious" youngsters let loose upon his premises by one fond mother and visitor. The author of "Lady Baltimore" makes one of his characters speak of Charleston, S. C., as "the last citadel of good manners." Presumably Virginia may be described as the last section of the country to cling to the old custom of keeping open house—a custom invented by not very busy but very charming people of means as well as leisure.

Now that the time-honored injunction has been practically reversed and the parents of this advanced age are expected to obey their children, the indications are that even Charleston's "citadel" will have been forced to surrender and the custom of keeping open house will have been driven from Virginia and all its last lingering places by the time that masterful repudiator of ancient conventions, the modern child, has grown up.

Loyalty Without Wind.

True loyalty does not consist of getting out in public and shouting to the winds of the glories of our country and how we can lick the world with our hands tied behind us.

We have a few such "patriots," but they have never set the world afire and we never expect to see them fighting for their country. When bullets are singing and shells are shrieking such "patriots" are usually found industriously fishing in financial waters far to the rear.

What we need is patriotism that impels a man to love his country for what it is and for what it has done for himself and for the rest of mankind. When a man is imbued with this brand of loyalty he will give even life itself for his country when the need arises, and he will have no self-plaudits to hurl at his fellow men in glorification of his own acts. He will not dispense wind.

We have many just such true patriots, but they are quietly pursuing their daily routine, hoping and praying that the government may steer the ship of state safely through the troublous waters without loss of honor or dignity.

Today they are simply loyal citizens of the Republic. Tomorrow they may be heroes who have fought and died for their country.

Baker is so closely allied to pie that we hasten to announce our eminent satisfaction with the ap-

pointment of the new secretary of war. Here's hoping he is not quartered and devoured in the scramble.

Speaking of the short skirts—but then one is too busy looking even to think of speaking.

Washington has been having its own little war of late, but fortunately the explosives have been nothing more serious than wind.

Ford's wonderful peace pilgrims appear to be gradually slipping back to our shores in both peace and obscurity.

Thin Women Surprised

And one day there comes to most of us the conviction that we, too, must have help—help that rebuilds, restores, replaces the nervous energy that has been so recklessly expended.

It is then that the kindly, tonic influence of Tonoline is appreciated. For after all, that need of help is often but the nerves' need of nourishment.

And when Tonoline brings to the starved cells and tissues the very foods they hunger for, in just the form that is mostly easily taken up, it is not long before relief comes.

We are receiving letters daily from grateful people telling how Tonoline has reconstructed cell and tissue, enriched the blood, produced keener appetite and better slumber and infused the whole system with new vigor.

Prof. B. writes: "I have gained 50 pounds since taking Tonoline and am now at just the weight I desired to be. I can recommend Tonoline to any thin person."

For women who can never appear stylish in anything they wear because of their thinness this remarkable treatment may prove a revelation. It is a beauty maker as well as a form builder and nerve strengthener.

NOTICE

For the Improvement of a Highway in Center Township, Rush County, Indiana.

Notice is hereby given that a petition has been filed in my office for the grading, draining and paving the same with cement of a highway in Center Township, Rush County, Indiana, which petition is in words and figures as follows, to-wit:

State of Indiana, Rush County, ss: TO THE HONORABLE BOARD OF COMMISSIONERS OF THE COUNTY OF RUSH, AND STATE OF INDIANA:

The undersigned petitioners respectfully show to your Honorability that this petition is signed by more than fifty free holders and voters of Center Township, Rush County, Indiana. That there is an existing public highway in said Center Township, Rush County, Indiana, described as follows to-wit:

Beginning at a point at the northwest corner of Section 21, Township 15, north, Range 10 east, the same being at the intersection of the Dunreith Pike and the highway running east and west through the town of Mays, at the edge of said town of Mays, running thence west over the center of the existing highway and the Section line between Sections 17 and 20 and 18 and 19, in said Township and Range, to a point where said highway intersects the Knightstown and Rushville Free Gravel road; the same being at the northwest corner of the northeast quarter of Section 19, in said township and range. Said highway being two miles in length.

Your petitioners respectfully petition that said highway be improved by grading, draining and paving the same with cement. That said highway should be improved at its present width.

That the grade thereof be constructed to the width of feet. That all necessary drains and side drains, bridges, culverts and sewer lines therein be so constructed as to make said road a complete road.

Said petitioners show that said Center Township has no incorporated town within it which is of less than thirty thousand inhabitants.

Said petitioners would further show that the only town in said Center Township is the incorporated town of Mays, which has a population of less than one thousand inhabitants.

Said petitioners further show that said road will be of public utility and that it will be of public utility to drain, grade and pave the same as herein stated, in the width and manner herein set out and that the cost thereof will be less than the benefit thereto and that said road will not pass into or through any incorporated city or town.

Said petitioners further show that said road is less than three miles in length, to-wit: Two miles, more or less, and connects at the east end thereof with the Rushville and Dunreith free gravel road and that upon and over said road runs a United States rural mail delivery route.

Your petitioners pray that the location and improvement in all things be in accordance with the laws of the State of Indiana, governing the improvement of such highways.

Some Comment on Across the Border

Miss Jeannette Kling, who will appear in recital of "Across the Border" at the Graham Annex auditorium Monday evening, March 20, at 7:45 under the auspices of the Shakespeare club for the benefit of the visiting nurse fund, is recognized as one of America's most brilliant and successful readers. Her success is due no less to her personality than to her ability. Critics and press unite in conceding her all the qualities requisite for the artist—talent, grave, beauty, originality that is refreshing and versatility that is remarkable. Thus, nature, training and experience make her capable of swaying an audience. She is not an experiment by any means, but has long been recognized as a success.

"Across The Border" is read by special permission and with payment of royalty rights. It has been performed in New York, Boston and Chicago with great success and makes a tremendous appeal for universal peace. It advocates no especial doctrine and represents no especial people. It is virile, gripping, vital, memorable and an altogether unusual reading adapted to any audience. Some comments follow:

"Across the Border" appeals to me as a remarkably strong peace story, and your rendering its appeal is something altogether unusual. By giving this frequently, I am sure you will be performing a wonderful service for humanity in this remarkable appeal for universal peace. A. H. Tomlinson, Headmaster Swarthmore, Pa., Preparatory School.

Miss Kling gave her new play, "Across the Border" one of the recent successful peace plays. It is a play of absorbing interest. Miss Kling is a splendid artist and her voice is a very perfect instrument. Only such superb technique as hers would be adequate to interpret the spiritual might and intensity of this play Chicago Musical News.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

Rheumatism Can be Cured

It is not necessary to go to a high priced watering place and drink nasty tasting water. You can cure yourselves right here at home with a remedy that has stood the test for more than 30 years. It acts directly and speedily upon the kidneys, liver and urinary organs and is a wonderful cleanser and tonic remedy. I can refer to many cases who were cured right here in Rushville. Try a bottle of WOLCOTT'S DIURETIC CORDIAL — Price 75c Remember it must give satisfaction or your money will be cheerfully refunded.

BOWERS ECONOMY HATCHER.

The Same Principles as a Hen on the Nest

THE Bowers Economy Hatcher is one of the most successful made. It has been designed and built to operate exactly as nature does. The covering of the eggs, daily turning of the eggs, and final care of new-born chicks, all are carried on the same within this Hatcher, as if done by mother hen herself. These principles cannot fail. With good eggs and proper care

A 100 Per Cent Hatch is Possible

This Hatcher is made of non-corrosive, non-rustable, non-inflammable materials throughout. Mostly high-grade sheet steel, brass and copper, it is built to serve well and last indefinitely. Contrary to what you might expect, it is very light in weight and easily handled by woman or child.

Every Bowers Economy Hatcher is equipped with the most sensitive and most accurate instruments for regulating, controlling and indicating the temperature and inside conditions. These features make your operating work light and guarantee you a more successful hatch with less trouble.

The circulation system is unique and original with P. M. Bowers & Son's, Engineers. It assures you a sufficient ratio of heat all the time at a small consumption of fuel. This one feature means a big saving to you—an economy that alone pays for your Economy Hatcher in a very short time.

Three sizes: 56 eggs, 90 eggs, 145 eggs. Call in and see this Hatcher. We are glad to demonstrate it to you.

SAY BRAZIL HAS LITTLE TO GAIN

Business Men There Declare American Should Take Care of Trade Increase Proportions

CRITICIZE PRESIDENT BRAZ

Assert he Has Given Some Men an Excursion Here With Expenses Paid by Government

(By United Press.)
Rio de Janeiro, Brazil, Feb. 20.—(By Mail)—Leaders in Brazilian business circles, in addition to declaring that the United States has everything and Brazil but little to gain by the upbuilding of Pan-American trade, also are criticizing the personnel of President Braz's selection of delegates to the Pan-American congress in Washington this year.

It is the claim of Rio de Janeiro business interests that practically all of President Braz's appointments to this committee represent any interest but that of business. They say that Dr. Persira Lima of this city is the only business man on the commission. They declare the others are politicians planning a sight-seeing excursion to the United States at the expense of the Brazilian government.

In these attacks it is freely asserted that Brazil has little, if anything to gain by sending representatives to the Congress. They claim Brazil has nothing to export that is not already well established in North American markets, and no amount of junketing can increase American consumption of Brazilian coffee, rubber, sugar, cocoa and crude metals. The recent American threat to place a five cent a pound import duty on coffee has been dragged into the controversy and has been promptly dubbed an American bluff.

The Correia de Manha (Morning Mail) declares that "this threat of tax on imported coffee noticeably appears each time the reciprocity treaty between the United States and Brazil, whereby American goods is admitted to Brazil under a preferential duty, is about to expire. Brazil need not worry over this bluff. If they do place the import

duty the American consumer will pay it." As to the establishment of closer trade relations, Brazilians are perfectly willing, except that they can't see why Brazil should spend money on expensive commissioners to accomplish it. They urge that "closer trade relations" work as much if not more to the benefit of the Americans as it does to Brazil.

They add that "Yankee necessity and ingenuity" will accomplish the results desired by all. It is considered probable that the storm aroused over the personnel of the junketing committee will result in changing its membership to include more business men. Should these changes be made the commission's object would be viewed in a different light by those now its critics.

BEER HAS NOT BEEN HIT BY ENGLAND

Are Still Allowed to Import It Despite Fact That Tobacco is Prohibited.

ALSO SHORTAGE OF PAPER

(By United Press.)

London, March 4.—(By Mail)—With tobacco imports into England about to be prohibited and paper, sugar, timber and barley for whiskey-making purposes due to be restricted, as a war measure, no proposal has yet been made to interfere with importation of brewery supplies. Why breweries and distilleries should be placed in a different category has not been explained.

One freely expressed view is that the authorities believe a beer famine's tendency would be to drive beer drinkers to the use of stronger intoxicants. Another theory is that a shortage of beer, which cannot be kept long, would be felt very soon. Against this it is argued that the timber embargo will put an immediate stop to building and furniture manufacture, that the newspapers have already been compelled to reduce their size and that warning has been given to householders to limit their sugar, candy and jam consumption. Beer drinkers, urge the critics of the restriction orders, might also fairly be asked to consume less.

EGG SHOW'S AIM IS TO BE EDUCATIONAL

Since Indiana Holds Leading Place Large Producing States, Interests Need Nurturing.

PURDUE PIONEER IN WORK

The Purdue Egg Show is to be held on the 10, 11 and 12th of May in the Agricultural Hall of Purdue University. There will be classes for fanciers, farmers, high school students, commercial poultrymen, Purdue students, and for Agricultural Experiment Stations and Colleges.

The Show is managed by Freshmen of the School of Agriculture, and is purely educational in aim and purpose. Since Indiana occupies a leading place among the egg-producing states of the Middle West, it is fitting that her poultry interests be nurtured in this way. The Show is intended to encourage the production of more and better eggs; to interest farmers in poultry-keeping as a profitable part of the farming business; and to bring the poultry interests of the state into closer touch with the Poultry Department of Purdue and the splendid work it is doing throughout the state.

Purdue is a pioneer in the conducting of egg shows, having the honor of holding the first show of the kind in the United States. From that small beginning eight years, the show has grown steadily. Each year has noted a marked increase in the number of entries and the amount of attention attracted. Such state and nation-wide interest is significant for the poultry cause in Indiana. Inquiries relative to this year's show are arriving daily and it is earnestly hoped that the people of the state will lend their hearty assistance and co-operation as in previous years.

Glycerine and Bark Prevent Appendicitis

The simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, astonishes Rushville people. Because Adler-i-ka acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-i-ka is astonishing. F. E. Wolcott, druggist.

DON'T GO TO BED WITH COLD FEET

Says: "Often Brings on Attacks of Acute Rheumatism"

the cause of rheumatism is worth a pound of cure, and people who are subject to attacks of rheumatism should never go to bed with cold feet.

A whole lot of folks and about taking salts, and other tablets for rheumatism and bed sores, but those who suffer from rheumatism and painful swollen joints need something powerful to overcome their piteous suffering.

Any broad-minded doctor will tell you that one-half teaspoonful of Rheuma taken once a day is driving more rheumatism out of afflicted people than all the salts of earth. Right in the neighborhood Johnson's Drug Store and all druggists sell large quantities of it, and it's the surest and most inexpensive remedy—about 80 cents a bottle.

Social Calendar Wednesday

Phi Delta Kappa business meeting in the rooms in the evening.

Penny Supper, in the basement of the First Presbyterian church at five o'clock.

Women's Missionary society of the United Presbyterian church, with Mrs. George Puntenney at 314 West Third street, at 2:15.

Pythian Sisters, in the K. of P. hall, in the evening.

Thimble Club, with Mrs. Will M. Bliss at 550 North Perkins street, in the afternoon.

Ladies Aid society of the First Baptist church, in the church parlors at 2 p. m.

Box Social at the First Baptist church given for the B. Y. O. D. class and their friends in the evening.

An informal dance is to be given by the Elks in their hall this evening. Mitchell's orchestra will furnish the music for the program.

Mr. and Mrs. George Austin entertained at dinner Sunday Mr. and Mrs. Roy Alexander and family, Mr. and Mrs. Gilbert Austin and Miss Marjorie Hunt. A sumptuous dinner was served at high noon to the guests.

TORTURED BY STOMACH HE FINDS REMEDY

Frankfort Man Finds Relief After Taking First Dose of Treatment.

Walter Spray of 1011 South Second street, Frankfort, Ind., for a long time suffered from disorders of the stomach, which caused him great pain.

After long and tedious efforts to find relief he at last tried May's Wonderful Remedy. The results, pleasing and beneficial, came right away. In telling of his experience he wrote:

"I took your treatment and will truly say that it did me more good than all the doctors did me for months. Before I took your medicine I suffered a great deal, but since I took the first dose I have not had a bad spell. I feel that it is even more than you claim."

May's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

For sale by FRANK E. WOLOTT and all other reliable druggists.

Sample Shoe Parlor

The members of the B. Y. C. D., class of the First Baptist church, who have been planning unusually novel parties this year, have another one tomorrow evening in the church. The form of this one will be a box social when the girls of the class will provide the boxes.

TAFFY-PULL

Mr. and Mrs. George Austin of near Gings entertained a number of their friends at their home last evening with one of the merriest forms of amusement, that of a chicken frizz. The chicken was only one item on the deliciously carried out menu. Pulling taffy made from the fresh maple syrup made the evening a gay one for the guests.

PENNY SUPPER.

For the Penny Supper which will be given by the Band of Workers in the basement of the First Presbyterian church tomorrow evening, no recommendations are necessary for the reputation that these ladies have already established with Penny Suppers guarantees an elaborate and well cooked menu. Supper will be served at the usual hours, from 5 until 7 o'clock.

AID SOCIETY MEETING.

The Ladies Aid Society of the Ben Davis Creek church, which was held at the home of Mrs. Pearl Hinchman on Thursday, enjoyed an interesting and profitable session. During the business meeting, the following officers were elected for the coming year; president, Mrs. Clara Hinchman; vice-president, Mrs. George Austin; secretary-treasurer, Mrs. May Brooks.

SUNDAY DINNER.

Mr. and Mrs. Jesse Hungerford delightfully entertained with a chicken dinner Sunday the following guests: Mr. and Mrs. R. J. Kellam of Milton, Mr. and Mrs. Dorsey Hungerford and sons, Bernard and Cedric, Mr. and Mrs. Everett Piper and sons, Clint and Scott, Mr. and Mrs. Birney Piper and daughter, Pauline, Mr. and Mrs. Calvin Hungerford and children, Glenn and Maxine.

GOOD MEETING

With Mrs. Willard Amos and Mrs. J. M. Amos, the Ladies Aid society of the St. Paul's M. E. church was entertained at the home of the former this afternoon. Fifty or more ladies were present to take part in the business meeting and to enjoy the pleasant social hour which followed. In the dainty repast which was served clever little favors suggestive of St. Patrick's Day were given to the guests.

ROOK PARTY.

Mr. and Mrs. Robert Jarrett entertained at their home northeast of the city on Saturday evening with a Rook Party. Other games and contests also helped to amuse the lively company of guests. Several musical numbers were furnished by the guests to whom a dainty luncheon was served near the close of the event. In this merry crowd were Mr. and Mrs. Clarence Daubenspeck and family, Mr. and Mrs. Claude Hunt and family, Mr. and Mrs. William Hinchman and family, Mr. and Mrs. Cliff Jarrett and daughter Mildred, of Rushville, Mr. and Mrs. Gilbert Austin, Mr. and Mrs. Lige Billings, Mr. and Mrs. George Austin and Miss Beatrice Austin.

CHICKEN FRIZZ

The sugar water season has provided an excuse for several affairs among them the ever popular "chicken frizz." One of the most pleasant of these was the one given last evening at the home of Mr. and Mrs. James Dill north of the city, when the supper, because it was cooked at the camp, tasted especially good. The menu consisted of chicken, beefsteak, boiled eggs and various other accompanying dishes. Light was furnished by the lanterns which added to the rustiness of the pretty scene. The crowd that enjoyed this supper and good time were Mr. and Mrs. James Dill, Mr. and Mrs. Will Dill, Mr. and Mrs. Jess Retherford, Mr. and Mrs. Hal Green and son and daughter, Aileen, Mrs. Sarah Giffin and Miss Clara Mack.

BIRTHDAY SURPRISE.

About thirty of the young people of the Flatrock vicinity surprised Miss Laura Shaw Saturday evening in honor of her twenty-third birthday, which was yesterday. The surprise was a complete one but that did not prevent the guest of honor, entering into the jollity of the affair. Music furnished by the guests, and a number of games kept the young people gayly amused until the dainty luncheon was served.

DINNER PARTY.

Mr. and Mrs. Lloyd Wagoner were the host and hostess to several of their friends Sunday when in their spacious home, they entertained with a prettily appointed dinner. A social time also followed during the afternoon hours. In this congenial company were Mr. and Mrs. Elmer Kellam, the Misses Letha Hungerford, Edith Hungerford, Frances Thompson and Clarence Weidner, Retla Alter, Paul Hungerford and Watson Miller.

HOUSE WARMING

The house warming last evening given by the Tri Kappas in honor of Mrs. Roy E. Harrold at her new home in North Perkins street, proved to be as sociable as the name suggests. The supper, furnished by the united efforts of the guests, was a delicious one and was served in buffet style. Charades which furnished the lively amusement for the evening created a great deal of merriment and informality, as the words were played in a clever and amusing style.

SUGAR CAMP PARTY

At the home of Mr. and Mrs. John Fleener near the city, a company of their friends gathered last evening to enjoy the pleasure furnished by their sugar camp. An elaborate supper, part of which was cooked at the camp, was served. Chickens had been frizzed, potatoes were baked in the coals, and taffy made from maple syrup was pulled after supper. The whole crowd of about twenty-five joined in pulling the taffy and an avoidable good time was the result. Several card games followed which brought the evening to a close.

CONGREGATIONAL SOCIAL

A unique social has been planned for the social to be given by the members of the United Presbyterian, they will be entertained at the home no doubt be a charming entertainment in Mays this evening, when of the Rev. and Mrs. McCann. The affair will be purely social and will ment for the guests. The guests will dine in families, according to the cards they draw, and will be members of the family of Roger Bean and other well known characters. Golduh will be the waitress for the evening and will serve the delicious lunch which has been planned.

BRIDGE CLUB

The eight players composing the Tuesday Afternoon Bridge Club had another of their delightful afternoons together when Mrs. Guy Mulbarger was the hostess this afternoon. Each of these meetings have proved a social treat, as was the one this afternoon. After several merry card rounds, the guests were invited into the dining room which with a color scheme of yellow and white looked bright and springlike for the occasion. A pretty bouquet of jonquils was in the center of the table around which the ladies were seated to enjoy the elaborate luncheon, which bore the personal handiwork of the hostess in its dainty appointments.

ANNIVERSARY CELEBRATED

A fifty-third wedding anniversary was celebrated Saturday, when Mr. and Mrs. Henry Hungerford, ages 75 and 72 respectively, invited several of their friends and relatives in to help in the celebration for the event. A sumptuous dinner was served as the guests enjoyed an informal good time together. The afternoon amusements included taking camera pictures of the merry group. Four generations were represented in the picture when Mrs. Henry Hungerford, Mrs. Grant Miller, Mrs. Arthur Weidner and Miss Thelma Weidner posed. In this pleasant group of guests were Mr. and Mrs. Grant Miller, Mr. and Mrs. Elmer Hungerford, Mr. and Mrs. Arthur Weidner, Mrs. Clyde Barlow, the Misses Thelma Weidner, Frances Thompson, and Winnie Barlow, and Watson Miller, Iden Hungerford,

Joseph Hungerford, Cecil, Frank, Dale and Emerson Barlow.

LOTUS CLUB.

The usual good time was enjoyed by the members of the Lotus Club when they met with Mr. and Mrs. Theodore Reed at their home in North Main street last evening. The interesting card games were followed by the service of light refreshments.

PREPAREDNESS PARTY

"Preparedness" was the subject which was cleverly carried out at the meeting of the Coterie Club yesterday when it was entertained by Mrs. D. D. VanOsdol at her home in West Third street yesterday afternoon. Flags were gracefully draped throughout the rooms, lending a patriotic atmosphere for the afternoon. In her paper on "Preparedness," Mrs. VanOsdol dealt with both sides of the subject, giving an impartial view of the popular subject. An endless amount of research was shown in the interesting facts told in the paper, which was followed by a discussion on the subject. Very appropriate was the song which Mrs. Raymond Hargrove sang, "I Didn't Raise My Boy to be a Soldier." A bugle call was the invitation which the ladies received into the dining room, which had been transformed into a "mess hall." Plaques giving orders as to soldiers were on the walls, bean soup and coffee were served in tin cups with tin spoons, and several other dishes well known for their place on the soldiers menu were served. The luncheon was delicious as well as cleverly carried out.

MUSICALS.

A good attendance of interested listeners composed the guest list of Miss Anna Poundstone when she entertained the Ladies Musicales at her home in North Harrison street yesterday afternoon. In charge of Miss Wanda Wyatt, the following program was given: Piano Solo—Fantasia B. Minac—Miss Marie Clawson. Vocal Solo—Boat Song—Miss Edith Buell. Piano solo—Prelude—Miss Olive Buell. Paper—Birds—Mrs. C. H. Gilbert. Vocal Solo—It is Spring Dear Heart—Miss Wanda Wyatt. Piano Solo—Pierrette—Mrs. Ralph Miles. Vocal Solo—His Lullaby—Miss Norma Smith. Piano Solo—Verees—Miss Mary Smith. Reading—Miss Frances Frazee. A short business session followed.

Physician's Eczema Remedy

Dr. Holmes, the well-known skin specialist, writes: "I am convinced that the D. D. D. Prescription is as much a specific for Eczema as quinine for malaria. I have been prescribing the D. D. D. remedy for years." This soothing combination of oil of Wintergreen, Thymol, and other healing ingredients called D. D. D. Prescription is now a favorite remedy of skin specialists for all skin diseases. It penetrates the pores, gives instant relief from the most distressing itch. Its soothing oils quickly heal the inflamed tissues. Druggists are glad to recommend this soothing, cooling liquid. 25c, 50c and \$1.00. Come to us and we will tell you more about this remarkable remedy. Your money back unless the first bottle relieves you. D. D. D. Soap keeps your skin healthy. Ask about it. FOX BROS. DRUG STORE

RUSH COUNTY MILLS

Home of Clark's Purity

Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is sufficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

FOR SALE—a house and ten lots, will sell all or a part to suit purchaser. Geo. W. Thomas, 324 North Perkins. 3051f

PRIMARY HELD IN MINNESOTA

Several Candidates For President Are Voted on in That State Today—Was Their First.

JOHNSON ON BULL MOOSE

Name Gets There Too Late to Withdraw and he is a Technical Candidate Just Same.

St. Paul, Minn., March 14.—The Progressive party, technically had a candidate for president of the United States in the field at the Minnesota presidential preference primary today, but his name didn't get on the ballot. The man was Hiram Johnson, governor of California, whose name was led by Minnesota progressives.

Minnesota law provides for seventeen delegates to the national progressive convention. Just that number filed for the places, obviating a contest. There was only one progressive presidential candidate. Hence, there being no contest in the progressive ranks, the entire progressive ticket was certified, and left off the ballot today. The presidential timber on the Minnesota ballot being used today follows:

Democratic — For President, Woodrow Wilson.

Republican—Senator Albert Cummins, Iowa; Henry D. Eastbrook, New York; William Grant Webster, Chicago.

Prohibitionist — For President, William Sulzer, New York; Eugene Foss, Mass. For Vice President, Frederick T. Wheeler, California; Ben B. Lindsey, Denver; Findley T. Hendrickson, Maryland.

Minnesota's first presidential preference primary went through today, only after a fight in supreme court. Under the law, delegates to national conventions must pledge their support to some officially recorded aspirant for the presidential nomination. Many prominently mentioned as presidential timber refused to permit their names to be filed on the Minnesota ballot. This eliminated any delegates who wanted to go to the national conventions for them. It was upon this point in the law that the two supreme court attacks were made.

Charles E. Hughes, New York; Theodore Roosevelt, New York; Elihu Root, New York and Hiram Johnson, California, declined to permit their names to be used. Johnson's withdrawal got here too late.

TO LET—furnished rooms for light housekeeping, modern conveniences; first or second floor. 332 N. Morgan Street. Phone 1071. 11f.

FOR SALE—The J. I. Case sulky break plow. Nothing better. E. A. Lee. 31016

FOR RENT—East half double house east of Havens school on Third St. Call phone 1007 or 1189 3091f

FOR SALE—5 passenger Hupmobile, model 32; fine condition. Cole "30" roadster; two cylinder Leader truck. Bussard Garage. 2961f.

FOR SALE—one dining room table; one china closet; 7 chairs, leather seats, solid quartered oak, in excellent condition. Phone 1544. 31016

WANTED—Everyone to see the folding bath tub, the wonder of this age. Will be on exhibition at O'Neals Opening Mar. 17 and 18. O. F. Guffin, Agent. 31113.

FOR SALE or TRADE—grocery store and dwelling. For information see F. L. Foulon or phone 1634. 30812

FOR SALE—Big 8 year old mare; good farm or team animal. Weight about 1350. See E. A. Lee. 31016.

FOR SALE—Select eggs from pure bred barred rocks. Hugh Sparks, Milroy, R. R. 15, Milroy phone. 3121f.

WANT ADS BRING RESULTS

MIGRATORY LAW STILL IN FORCE

Season of All Wild Fowl Coming Under Statute is Closed, Federal Authorities State

NOW POWER TO SUSPEND IT

Mis-Statements Due to Pending Litigation Involving Its Constitutionality

Washington, March 13.—A misleading statement has recently become current in newspapers of the Mississippi Valley and elsewhere, to the effect that the Department of Agriculture has suspended the enforcement of the Federal regulations under the Migratory Bird Law and by this means has enabled sportsmen, under State laws, to shoot wild fowl the coming spring.

Under the Federal regulations as they now stand, the season on all migratory wild fowl is closed until next autumn throughout the United States. Federal inspectors and wardens are required, and others interested in the protection of wild fowl are requested, to report to the Department of Agriculture all cases of violations of the regulations, in order that proper action may be taken.

The Department of Agriculture has no power to suspend the law or to pardon violations of the regulations. Doubtless the erroneous impression, on which the newspaper statements are based, has grown out of the pendency of litigation involving the constitutionality of the Act of Congress approved March 4, 1913, under which the regulations were promulgated. The lower Federal courts disagreed as to the validity of the statute and the issue was carried to the Supreme Court of the United States. The case was argued in the Supreme Court in October, 1915, but has not been decided. Following the lower court decisions, Congress appropriated money for the purpose of continuing the enforcement of the law. The Department of Agriculture is bound to report to the Department of Justice violations of the regulations if the Supreme Court should declare the law constitutional. All persons should, therefore, be warned of the danger they incur from failure to abide by the regulations.

Read What the Users of the SIMPLICITY INCUBATORS Say

- Mrs. Harold Moore says—It has given good satisfaction.
- Mrs. Estella Oneal says—I am well pleased with our Incubator and it has done us good success. It can't be beat—the Best out.
- Mrs. Roll Dearing says—I think my Incubator is one among the best. It is easy to operate and does not use much oil.
- Mrs. Alva Webb says—I think they are as good as are made, for they are healthy in the house—no coal oil fumes comes from them and they give good results.
- Mrs. Wilbur Warner says—Think it is fine. Got 105 chicks out of 110 eggs the last hatch. Got 160 from the first two hatches.
- Mrs. Vern Harlow says—Just Fine is enough to say. Good hatch and strong, healthy chickens, also a good word for my None-Such Brooder.
- Mrs. John Lucas says—I set my Incubator five times. I put 110 eggs in and I got on an average of 80 healthy chicks. I was well pleased.
- Mrs. Jess Gray says—I think the Simplicity is all right—have had good hatches.
- Mrs. Ora Beckner says—I had splendid hatches with my Incubator—have hatched from 82 to 96 chicks every time so far.
- Mrs. O. M. Harton says—I like it very much—it is all right.
- Mrs. Frank Hensley says—We have one of your Incubators and it is a good one.
- Mrs. J. M. Maple says—I use the None-Such Brooder and I think it is fine, have used it one year, and would not do without it as long as I raise chickens.
- Mrs. Idanna Ellison says—I like my Incubator as well as any I have seen, and it does as good work as any I have seen or that any of my neighbors who have other kinds.
- Mrs. Roy Hensley says—I think my Incubator is very nice.
- Mrs. Charles Lewark says—I think that my Incubator is just fine. Set it three times and it has hatched good every time.

The above says in plain words that the Simplicity is a real Incubator and one that can be depended on, and this means a good deal to you. What the above have done you can also do. If you are interested in Incubators why not buy the best one that is being successfully used in 125 homes in Rush County.

Yours very truly,

"INTO MEXICO BY TONIGHT" IS CRY

General Funston Says There Will be
no Delay Once The Troops
Are Concentrated

AERO SQUADRON ARRIVES

(By United Press.)

San Antonio, Texas, March 14.—"Into Mexico by tonight," was the opinion expressed here today by experienced military men who have been closely watching the work of preparation. That the expedition is ready to start is indicated by General Funston himself, who stated there would be no delay once the troops are concentrated.

The first aero squadron composed of ten officers and eighty enlisted men, is due at El Paso today, with eight military aeroplanes and equipment.

LAUNCH HEAVY ATTACK

Germans Renew Efforts Near Verdun But Are Repulsed

(By United Press.)

Paris, March 14.—After 36 hours of continuous bombardment the Germans last night launched a heavy attack against Haudremont forest, northeast of Verdun and in the Le Pretre forest, 45 miles to the southeast. These attacks were broken up by French artillery, the office announced this afternoon.

This Great Kidney Medicine Fulfills Its Mission.

I was afflicted with Baldder trouble, I suffered such great pain that the doctor had to take my urine. After the doctor had treated me for two weeks, I did not get any better. Remembering that a few doses of Dr. Kilmer's Swamp-Root completely relieved my Mother-in-Law, after all the doctors who were called on her case had failed to do her any good I asked my husband to get me bottle of Swamp-Root, which he did, and I took it and threw the doctors' preparations away, because after I started taking Dr. Kilmer's Swamp-Root I was greatly relieved. My husband was so pleased he said I should take one dozen bottles of Swamp-Root, but by the time I had taken seven bottles I was completely restored to health. That was six years' ago and I have not taken any medicine since. My weight is 195 pounds, have three children, do my work in a house of twelve rooms, and keep boarders. Very truly yours.

MRS. ANNE BAUGHMAN,
657 Newell St. Barberton, Ohio,
Personally appeared before me this 19th day of December, 1914, Mrs. Annie Baughman, who subscribed the above statement and made oath that the same is true in substance and in fact.

STATED MEETING

A stated meeting of Phoenix lodge No. 62, F. and A. M. will be held Tuesday night and there will be work in the F. C. degree.

IS NAMED JUDGE PRO TEM

T. M. Green Will be in Charge During Sparks' Absence

During the absence of Judge Will M. Sparks who has gone to Noblesville to act as special judge in the criminal case against E. M. Hinshaw, Thomas M. Green will have charge of the circuit court here. He was made judge pro tem by Judge Sparks last evening before he left for Noblesville. In case anything should arise that needs immediate attention, Mr. Green is empowered to handle it. Judge Cloe of Noblesville will be here Thursday to act as special judge in the Bess-Morgan case.

HAD TO MAKE OWN LIVING

Iva Ricketts Treated Cruelly by Husband, Complaint Says

Mrs. Iva Ricketts has filed suit for divorce from Forest Ricketts, alleging cruel and inhuman treatment. Mrs. Ricketts claims that he cursed and abused her and forced her to make her own living. According to the complaint, they were married August 6, 1912 and separated March 1, 1916. She says that he abandoned her without means of support and that she was forced to go to the home of her mother. Mrs. Ricketts asks the custody of their two children and the sum of four dollars a week for their support. Morgan and Ketchum represent the plaintiff.

FIRST DEGREE

Franklin Lodge No. 35, I. O. O. F. will have work in the first degree Wednesday evening with a class of fifteen. On March 22, will have a class of 36 for the second degree. Members are invited to attend and witness the work. Music by the orchestra.

Washing Won't Rid Head Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. Do this tonight, and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

START SPRING TRAINING

Portland Team is Strengthened by Several Eastern Players.

(By United Press.)

Portland, Ore., March 14.—Arriving late today at the spring training grounds at Sacramento, Manager Walter McCredie and his players will start the three weeks' training season tomorrow. Other members of the Portland team are en route to Sacramento from all points of the compass. Bobby Vaughn, the new captain, is coming from St. Louis, Wylie, Nixon and Harstad, recent acquisitions from the Cleveland Americans and Al Sothron, who pitched for Wichita last year, will be there. Byron Houck, who looked good to Cornelius McGillicuddy several seasons ago, and Catcher Fish from the Phillies, are other easterners who have joined the Beavers.

NO TROUBLE OVER SILIUS

Germans Will Disavow Sinking of Vessel if Done by Them

Washington, March 14.—Trouble between the United States and Germany over the sinking of the Norwegian bark Silius is altogether unlikely, it was said on the best of German authority today. Should it be proved that a German submarine torpedoed the bark without warning, endangering the lives of several American sailors, Germany, it was said, would undoubtedly disavow the act of the submarine commander and make all reparation required.

Daily Republican Celebrates Twelfth Anniversary Today

This belongs under the head of "Congratulations To—." Today was the Daily Republican's birthday. Twelve years ago it was born a daily. Those twelve years have been fruitful ones, full of progress and constantly increasing efficiency and service.

Through all the half score and two, the owners of the Daily Republican have continually striven for a better newspaper and increased patronage reveals that their efforts have not been without avail. One year ago today the Daily Republican was printing 1905 papers each day. Today 2130 papers were issued from the press.

The twelve years have witnessed a remarkable evolution in the Daily Republican. During that time the Daily Republican was moved to its present location, a building erected especially for the newspaper, and before thirteen years have rolled around, it hopes to be comfortably established in a new building of its own, erected with better efficiency and service as the watchword. The building will be located on what is commonly known as the old foundry lot, in Perkins street, between Second and Third streets.

Striving ever to "keep its head above water," the Daily Republican has worked under seemingly insurmountable difficulties combatting the floods that have recurred with increasing regularity. The newspaper suffered a heavy loss by the damaging flood of 1913. That was only the beginning. Every spring since, the Republican has been harassed and embarrassed by high water. This year the flood did not wait until spring but came along in January, when it was least expected and caused a very heavy loss. Thus handicapped at the very outset of 1916, the Daily Republican had just received a car load of paper, a year's supply, last Monday, and on Monday night a water pipe on the upper floor burst, causing the loss of 21,000 pounds of newspaper. And summer is not yet here!

When the Republican is housed in its own home, there will be no basement under it, and there will be nothing over it but a good, water-proof roof. Thus will all chances of a flood be eliminated. The building will be higher than any high water mark in the history of Rushville.

The Daily Republican believes that it merits the support received, else it would not have been given. In the new location, the Daily Republican will be the better enabled to give the service that the newspaper reading public of Rush county has learned to demand.

MOVE TO CITY; NEGLECT CHURCH

Many Become Disloyal as Lot Did,
When Given Choice of Land,
Pitched Tent Toward Sodom.

HIS CHOICE SELFISH ONE

As is Bible Story, Evil May Over-
come The Good in an Individ-
ual, M. E. Pastor Says.

Too often people who are loyal to their country church move to the city and neglect their church. Such was the case with Lot, who when given his choice of land by Abraham, chose his home near the city and as the text says, "pitched his tent toward Sodom." Genesis 13th chapter and 12th verse was the text chosen by the Rev. W. M. Whitsitt in his sermon at the St. Paul's M. E. church last evening. "And Abraham dwelled in the land of Canaan and Lot dwelt in the city of the plain and pitched his tent toward Sodom." A good Monday night crowd was in attendance last evening and after a special song service and a selection by the chorus choir, led by Clarence E. Lane, the regular service continued. The Rev. Mr. Whitsitt spoke in part as follows:

"The troubles between Lot and Abraham might have been caused by strife between their workmen or worse still between their families, Abraham saw worse trouble coming and in an unselfish way suggested to Lot that he take his choice of all the lands before him and that they separate in order to prevent further troubles. Lot in choosing the land toward Sodom, gave his preference for the city life, which afterwards told of his character.

"From this story we can gather several lessons for today. First, I notice the leavening influence of the city. God had blessed him. Several times he had been rescued from the influences of sin by leaving influences of good in the life of Abraham. In any community, if the good does not overcome the evil, the evil will overcome the good. Lot had the same capacity as Abraham, but he allowed evil to make use of his capacity instead of good.

"It was a selfish choice. He did not offer Abraham his choice, but took that which he thought would bring him the best things for worldly use. Too often, instead of people getting the world, the world gets them. It was not a question of where can I do the most for God, but where can I get the most out of life. How many of us chose in the same way? Making money is not the highest art in the world. To give it takes more grace than to make it.

"And in the third place, it was an unwise choice. He was short sighted. Put a dollar in front of a man's eyes and it will shut out the sun. So he allowed the dollar to do for him. Moreover, when Lot had once started down the hill of sin, there were plenty of people to help him down the toboggan slide."

TODAY'S ODDEST STORY.

(By United Press.)
Centralia, Kas., March 14.—Cold lunches have been banished from a country school near here. Little Helen Archer, school teacher solved the problem by having the boys trap rabbits and dress them at the morning recess. She cooks them while hearing classes. The dish is served in grand manner each day at no cost to anyone.

RECEIVED WITH VARIED EMOTION

James E. Watson's Declaration That
he Will go to State Convention
Viewed Many Ways

MANY WITHHOLD OPINION

Are Disposed Not to Render Judg-
ment Until Facts Are All in—
Choice of Republicans

Friends and supporters of James E. Watson received with mingled emotions today the pronouncement, under his own signature, that he would carry the contest for the Republican nomination for United States senator to the floor of the state convention.

His intentions were forecast somewhat by action last Friday afternoon in wiring his county managers that he would go into the convention.

It is revealed that the Rushville candidate is by far the choice of the Republican voters outside of Indianapolis. By mathematical calculations, it is shown that Watson has a plurality of about 7,000 votes over New outside of Marion county, where New ran so strong that he even surprised himself and his managers.

A variety of opinions were expressed among Watson admirers, but the majority of them were content to withhold their judgment until the facts were all in. They feel that Mr. Watson has canvassed the ground well and has taken stock of all conditions and chances of the future before reaching a final decision.

Although the report has gone forth that the Wayne county delegation is solid for New, information from Richmond is that at least five of the fifteen members of the delegation will support Watson to the finish. There may be other Watson men in the delegation. Considerable comment has been aroused by the editorial from the Newcastle Courier, a Watson newspaper during the campaign, saying that it would support New for the convention. Watson managers, however, are certain of getting the majority of the Henry county delegation, it is said.

Mr. Watson's statement is as follows:

"Upon the returns received, it is necessary under the provisions of the primary law that the state convention shall name our party's candidate for United States senator.

"While my campaign has been Continued on Page 3.

Give the Manufacturer the Facts

Mr. Dealer, when a manufacturer entreats about his advertising plans to you, give him the facts.

Say to him—
"I don't know all about advertising, but I do know that the goods on my shelves that are advertised in the local newspapers are the goods that make new customers for me.

"And, by the way, these newspaper advertised goods are not on the shelves.

"They are out in the show window and over there on the counter."

Tell him he could have clinched the market at the start if he had promised you a newspaper campaign. He could have lined up New Distribution, Your Support and Consumer Demand—the three real factors in merchandising.

TO FORESTALL EXPEDITION TO MEXICO

Carranza Government Has Military
Scheme to Capture Villa Before
U. S. Soldiers Get to Him.

(By United Press.)
El Paso, Texas, Mar. 14.—"Carranza forces will have Villa before the end of the week," announced General Gutierrez in Juarez today, outlining what is believed to be an effort to forestall the American expedition into Mexico.

"The Carranza government can take care of Villa," Gutierrez continued. He outlined a comprehensive military scheme to surround Villa and indicated that the Carranza forces already have the bandit virtually surrounded in the Galeana district of Chihuahua.

Galeana, which gives its name to the neighboring district, is a small town in Chihuahua about 110 miles almost due south of El Paso. It is nearly fifty miles west of the national Mexican railroad and within a day or two ride of the Mormon colonists in the Casas Grandes district.

United Press advices early today reported Carranza's determination to capture Villa as a means of preventing an American invasion of Mexico.

"Five cavalry columns of 1,200 men each have been ordered into the field to pursue Villa," said the Carranza leader. "They will draw a complete ring around Villa."

may already have touched Mexican soil, it is thought, but army officers believe the start of the main expedition under General Pershing from Columbus will not take place before tomorrow at the earliest.

With American troops on the eve of marching into Mexico, President Wilson was threatened with a new revolt in congress today.

An outburst of criticism was threatened in the senate over the president's agreement with Carranza troops to enter American territory and house members also threatened to explode with vigorous criticism. Instead of the solid support and approval given the president in his plan "to get Villa," both congressional bodies bubbled with protest.

NO DANGER OF BREAK

(By United Press.)
Mexico City, March 14.—The danger of a break between the United States and the Carranza government has passed, according to articles in the morning newspapers, evidently inspired by Carranza officials.

CROW WITH WHITE WINGS

A freak of bird life—a crow with beautiful, snow-white wings—has caused a lot of curiosity down in Gowdy neighborhood in southwestern Rush county. The crow has been seen by several. Yesterday Dave Alter, reporter for the United States department of agriculture in this district, got close to the bird and found that it really was a crow with white wings. He sent a report to the department of agriculture, with the request that he be informed whether anything of the kind was ever seen before.

ARTHUR L. YAKY NEW POLICE CHIEF

Is Appointed by Mayor Bebout After
City Council Releases Him
From Police Force

ANOTHER IS TO BE CHOSEN

Arthur L. Yakey was named chief of police to succeed John Rosencrance by Mayor Bebout last evening. Mr. Yakey has been a member of the police force for about two years and the position is in the nature of an advancement for him. Yakey was appointed by the city council and before making him chief Mayor Bebout conferred with the council to see if the members were willing to let the mayor have their appointee.

Yakey has made a good policeman, and as he is well acquainted with the workings of the force, Mayor Bebout believed he was the best man for the place. Rosencrance, who resigned yesterday, will leave Wednesday for Kansas where he will engage in the well drilling business. The new chief of police has the distinction of being about the tallest policeman in the state. Yakey is six feet, four inches tall and makes an imposing figure in his uniform.

GOING TO CONNERSVILLE

The degree staff of Bernice Encampment No. 12 I. O. O. F. will go to Connorsville Friday evening and put on the Golden Rule degree for Whitewater Encampment No. 33 of that city. They have a large class and a large attendance is anticipated. The Royal Purple degree will be presented by the Connorsville lodge. Several members from here will accompany the staff leaving on the dispatch at 6:06 p. m.

BULLETIN.

(By United Press.)
Washington, March 14.—Senator B. F. Shively of South Bend, senior senator from Indiana, died at a local hotel this afternoon after a protracted illness. He had two more years to serve in the senate.

NATHAN STANLEY CALLED BY DEATH

Well Known Farmer And Veteran
of Civil War Expired This
Afternoon Near Arlington

NATIVE OF POSEY TOWNSHIP

Nathan Stanley, a well known farmer of Posey township, died this afternoon at 1:30 o'clock at his home north of Arlington after an illness of two years from paralysis. He had been in a critical condition for the past few days and death was not unexpected.

Mr. Stanley was seventy-nine years old and was a native of Posey township, having been born on a farm within a short distance of his home farm. He was a veteran of the Civil war, having served throughout in Company E, Seventh Indiana regiment. Besides his widow he is survived by four children, Dora Stanley, Mrs. Alva Reddick, Mrs. Lizzie Cline of Indianapolis and Preston Stanley, Jr., of Indianapolis. The funeral arrangements have not been completed.

NEGLECTS CHILD, CHARGE

Mrs. Mamie Leisure Has to Answer
to Juvenile Court

Mrs. Mamie Leisure appeared in juvenile court this afternoon to answer to a charge of neglecting her two-year-old daughter, Anna Leisure. The case was to be heard by Thomas M. Green, judge pro tem. The board of charity is back of the suit as they have received numerous complaints against Mrs. Leisure. Mrs. Leisure was formerly Miss Mamie Weevie and before she married Leisure was a ward of the juvenile court.

A business meeting of the Catholic Aid society will be held with Mrs. John Keaton Thursday afternoon at her home in East Fifth street.

TROOPERS SAID TO BE ACROSS BORDER

Persistent Report in Army Circles
That 1,500 Cavalrymen Are
Seeking Villa

HOPE TO HEAD OFF BANDIT

Believed he Has Reached Sierra
Madre Mountains, Long One
of His Strongholds

LID PLANKED DOWN ON NEWS

All Telegraph Wires Out of Colum-
bus, N. M., Are Under Strict
Military Censorship

(By United Press.)

San Antonio, Texas, March 14.—That a flying column of 1,500 American troopers under the lightest possible equipment supplied with two weeks of rations and plenty of water crossed the border early today is persistently asserted by men in close touch with army circles. Reports of actual fighting between this advance expedition and Villistas are momentarily expected.

The column is said to have crossed the international boundary headed west and south of Columbus with the intention of throwing a line of United States soldiers between Villa and the Sierra Madre mountains, long a Villa stronghold. It is believed here this purpose has already been accomplished.

The lid has been planked on news from the border west of El Paso, it was officially announced at General Funston's headquarters at Ft. Sam Houston today. Officials stated that General Pershing's action in seizing the telegraph office at Columbus, N. M., and placing the wires under strict military censorship was prompted by the discovery that military messages were being held up in favor of commercial and press telegrams, the delay in some cases amounting to eight or ten hours.

TO INCREASE THE U. S. ARMY

Administration Decides to Raise it
to War Strength

(By United Press.)

Washington, March 14.—Urgent action to increase the army by 8,000 men to its full war strength was decided on by the administration today. Secretary Baker asked congress to pass a resolution immediately and it is expected to pass late this afternoon in the house.

Baker and Chairman Hay of the house military committee with whom the proposed plan originated, discussed it. Baker felt that specific authority from congress should be asked and given. Increase in the army above the recognized war footing is not now contemplated.

Final orders for the Villa hunt were in General Funston's hands today. Telegraph wires hummed with details of the punitive expedition and all Washington waited for the news of the border crossing.

A few isolated American troops

Congratulations To—

George Wingerter, well known cigar manufacturer of this city. Mr. Wingerter is 56 years old today. He has been in business here for a number of years. *** This is also the birthday of Cicero Vance. Mr. Vance is sixty-two years old.

WHICH IS BETTER?

A Shoe at a Price or a Shoe of Quality? What does it matter if you pay a few cents per pair more for shoes, and get three months more service on that shoe?

We hear a great deal nowadays about shoes at a price. Any shoe store can sell shoes at a price. That is no trick. It is shoes of quality that stand out so prominent in the long run. Shoes that will give the wearer such satisfaction that they will come back for another pair.

The New Spring Shoes are coming in—Try us for a pair of the long wearing kind.

OLD-TIME COLD CURE—DRINK TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless.

County News

Glenwood.

Mrs. Fisher and Mrs. Arthur Reynolds and son Garrett and daughter Vera were visiting in Indianapolis last Saturday.

Otto Camerson transacted business in Indianapolis last week.

Ora Smith of near Fairview was a business visitor in Rushville Saturday.

Clarence Carr, Robert Longfellow and J. E. Holmes were in Rushville on business Saturday.

Prayer meeting and a Sunday school board meeting will be held at the M. E. church Wednesday evening.

Mrs. Alice Combs and Mrs. Mattie Dent came home from Martinsville, where they went for their health, last Friday. Mrs. Pearl Wright, who went with them, will remain for some time.

The Rev. Daniel Ryan preached two most interesting sermons at the M. E. church Sunday morning and evening. At the close of the morning service he took up the collection for the Methodist hospital at Indianapolis.

Mr. and Mrs. John W. Mauzy and Mr. and Mrs. A. J. Britt and daughter Margaret dined with Dr. and Mrs. J. E. Walther on Sunday.

Mrs. Marcus Kendal and daughter Marcie were shopping in Rushville on last Saturday afternoon.

Thomas A. Reed was a business visitor in Rushville Saturday evening.

Dan Laughlin was a business visitor in Connersville Saturday afternoon.

Jess Vandiver is building a livery barn close by the I. & C. on the Fayette county side of the county line. Before long he will be equipped to take care of the public in regard to auto and horse livery.

Several from here attended the show given by Orange high school at the Odd Fellows hall in Falmouth on Saturday night. Everyone spoke highly of the entertainment.

The usual services were held at the United Presbyterian church Sabbath afternoon.

The Rev. Daniel Ryan has an engagement to lecture in Indianapolis on March 17.

James A. Fisher, principal of the high school, attended the district meeting of teachers at Connersville Friday night and Saturday.

The school term is nearing the end. Some seem glad that it is and others do not. The Glenwood school has been exceptionally good this year and much has been accomplished.

Tribute to Woman.

When the Lusitania went down to its watery grave, taking one of our prominent writers and his wife, leading papers published a remarkable literary tribute previously paid by the husband to the wife. This was because she had been such a helpmate to him in carrying out his ideals. Thousands of women have the ambition to be such helpmates to their husbands, but lack the necessary health. Every such woman should remember that Lydia E. Pinkham's Vegetable Compound is the one remedy which will restore health and strength, the unrivalled medicine for woman's ailments.

Low 20th Century Manure Spreader A Durable Machine

THE Low 20th Century spreader is durable because it is built almost entirely of steel. The main frame is steel, braced with steel. Both front and rear trucks are steel. All driving parts are steel. The controlling levers and even the seat are of steel. The only wood entering into the construction of this machine is used in the sides of the box, the apron slats, the beater bars, and the tongue. In these places the kind of wood used is more durable than steel.

Besides being durable the Low 20th Century spreader is without exception the most efficient spreader on the market. The features that make it durable and efficient will have to be seen to be thoroughly understood. The dealer has a sample machine set up, and can show you these features better than we can tell you in fifty advertisements. Go in and see the machine.

Swift's Fertilizers Continue to Make Winners

If you used Swift's Fertilizer and obtained the best yield in the state you would, of course, give our fertilizer the credit that was due it. NOW, if the following year's Champion used Swift's and this performance repeated from year to year, you naturally would begin to think that Swift's Red Steer Brand is a pretty good fertilizer, would you not?

Look at the Record and Decide Yourself.

There can be no better proof of the value of a fertilizer than the records made by those who use it. There must be merit in a fertilizer that produces the results stated below:

Mr. Will Essig, Tipton, Indiana—131 bushels corn per acre. The largest yield of which there is any record in Indiana. Mr. Essig was recently awarded a gold medal at the Panama Exposition. Used SWIFT'S.

Mr. Norris McHenry, Elizabethtown, Ind.—112 bushels per acre. Winner of the Indiana 1914 Men's Five Acre Corn Contest. Used SWIFT'S. In 1915 he was induced to use other than Swift's Fertilizer and got no prize.

Mr. F. R. McHenry, Norris' father—used no fertilizer in 1914 and won no prize, but as his son won the State Championship in 1914 with the aid of Swift's Fertilizer, Mr. McHenry used Swift's in 1915, got 87.3 bushels of ripe corn per acre and won the sweepstakes for men in the Bartholomew County Five Acre Corn Contest.

The 1st, 2d, 3d and 4th prizes for the highest yields of good quality corn in the 1915 Five Acre Corn Contest for men in Bartholomew County, Indiana, all went to users of Swift's Fertilizer. Also in the Boys' One Acre Corn Contest in the same county, the 1st, 2d, 3d and 4th prizes went to users of Swift's Fertilizer.

The Ohio 1914 Champion Corn Grower, Arnett Rose, Alger, Ohio—153.9 bushels—used SWIFT'S.

The Ohio 1915 Champion Corn Grower, Dewey Haines, Arcanum, Ohio—154 bushels—used SWIFT'S.

The Indiana 1914 Boy Champion Corn Grower, Roy Friedersdorf, Elizabethtown, Ind.—128.8 bu.—used SWIFT'S. Gordon Reap, Elizabethtown, Indiana, who was third last year, is County Champion with 105.73 bushels. He also used SWIFT'S this year.

There cannot be something in Swift's Fertilizers that PRODUCES RESULTS. Swift's blood, bone and tankage fertilizers make prize winners.

If YOU do not use Swift's Fertilizers, you are not sure that you are using the best fertilizer obtainable. You want the best—then buy SWIFT'S—the Red Steer Brand.

Neglect of Three R's.

Education in our day is wonderful in its scope and the broad acreage it attempts to cover, but the structure erected too often suggests a top-heavy affair on slender poles that are not firmly planted in the ground. This analogy presents itself as a by no means inappropriate one after reading the following extract from the report of the New Jersey State Board of Education's visit to one of the normal schools in that State:

"These students, or nearly all of them, had passed through the eight years of primary and grammar school and the four years of high school, and had entered the normal school. Yet out of eighty-six no fewer than forty-nine were unable to tell whether a man had gained or lost, and how much, who had sold two horses for \$400 each and on one had gained 20 per cent and on the other had lost 20 per cent! And if such is the showing of the high school graduates, what is the probable condition of mere grammar school graduates, only 5 per cent of whom go on to the high schools? It is possible that a better showing would have been made if the examination had been confined to questions in civics, sociology, botany, poetical analysis, or something of that sort."

Admitting that modern youth should have the advantage of every branch of learning that interests its teachers, it is still pertinent to remark that better practical results could be obtained from less sociology and more elementary arithmetic, less civics and more spelling, less botany and more English com-

True Secret of Keeping Youthful Looking

(The Beauty Secret.)
"The real secret of keeping young-looking and beautiful," says a well-known hygienist, "is to keep the liver and bowels normally active. Without these organs, no waste products remain in the system, polluting the blood and lodging in various organs, tissues, joints. One becomes flabby, obese, nervous, mentally sluggish, dull-eyed, wrinkled and sallow of face."
"But to get liver and bowels working as they ought, without producing evil after-effects has been the problem. Fortunately, there is a prescription of unquestioned merit, which may now be had in convenient tablet form. Its value is due largely to an ingredient derived from a humble May apple, or its root, which has been called 'vegetable calomel' because of its effectiveness—though, of course, it is not to be classed with the real calomel of medicinal origin. There is no habit-forming constituent in 'Santanel' tablets, that's the name—and their use is not followed by weakness or exhaustion. On the contrary, these harmless vegetable tablets tend to impart tone and elasticity to the relaxed intestinal wall. Santanel tablets, which may be procured from any druggist—a dime's worth will do—will prove a revelation to any constipated, liver-troubled person."

The Constipation Curse

Constipation—clogged bowels cause pain and sickness; 95 per cent of our ills, say the authorities. Santanel Laxatives bring quick relief. All vegetable—contain no calomel. Ten doses for a dime at any druggist. Physician's sample free, upon request, if you mention this advertisement. The Santanel Remedies Co., Inc., 800 Madison Ave., Covington, Ky.

position, during the earlier periods at least. A smattering of many sciences may be serviceable, but a solid and lasting foundation formed of the three R's is their first great need. To build such a foundation thoroughly is dreary drudgery no doubt, and the task is much less inviting than instruction in the more advanced branches that so soon crowd the three R's off the stage, but it is worth while to keep in mind the fact that the public schools are intended for the good of the pupils rather than for the entertainment of the teachers.

The Modern Child.

A correspondent of the New York Sun has written from Virginia to complain of affliction of ill-mannered children brought by visitors into his home, describing at some length the annoying behavior and the depredations of a troop of seven ill-mannered and "rapacious" youngsters let loose upon his premises by one fond mother and visitor. The author of "Lady Baltimore" makes one of his characters speak of Charleston, S. C., as "the last citadel of good manners." Presumably Virginia may be described as the last section of the country to cling to the old custom of keeping open house—a custom invented by not very busy but very charming of people of means as well as leisure.

Now that the time-honored injunction has been practically reversed and the parents of this advanced age are expected to obey their children, the indications are that even Charleston's "citadel" will have been forced to surrender and the custom of keeping open house will have been driven from Virginia and all its last lingering places by the time that masterful repudiator of ancient conventions, the modern child, has grown up.

Loyalty Without Wind.

True loyalty does not consist of getting out in public and shouting to the winds of the glories of our country and how we can lick the world with our hands tied behind us.

We have a few such "patriots," but they have never set the world afire and we never expect to see them fighting for their country. When bullets are singing and shells are shrieking such "patriots" are usually found industriously fishing in financial waters far to the rear.

What we need is patriotism that impels a man to love his country for what it is and for what it has done for himself and for the rest of mankind. When a man is imbued with this brand of loyalty he will give even life itself for his country when the need arises, and he will have no self-plaudits to hurl at his fellow men in glorification of his own acts. He will not dispense wind.

We have many just such true patriots, but they are quietly pursuing their daily routine, hoping and praying that the government may steer the ship of state safely through the troublous waters without loss of honor or dignity.

Today they are simply loyal citizens of the Republic. Tomorrow they may be heroes who have fought and died for their country.

Baker is so closely allied to pie that we hasten to announce our eminent satisfaction with the ap-

pointment of the new secretary of war. Here's hoping he is not quartered and devoured in the scramble.

Speaking of the short skirts—but then one is too busy looking even to think of speaking.

Washington has been having its own little war of late, but fortunately the explosives have been nothing more serious than wind.

Ford's wonderful peace pilgrims appear to be gradually slipping back to our shores in both peace and obscurity.

Thin Women Surprised

And one day there comes to most of us the conviction that we, too, must have help—help that rebuilds, restores, replaces the nervous energy that has been so recklessly expended.

It is then that the kindly, tonic influence of Tonaline is appreciated. For after all, that need of help is often but the nerves' need of nourishment.

And when Tonaline brings to the starved cells and tissues the very foods they hunger for, in just the form that is mostly easily taken up, it is not long before relief comes.

We are receiving letters daily from grateful people telling how Tonaline has reconstructed cell and tissue, enriched the blood, produced keener appetite and better slumber and infused the whole system with new vigor.

Prof. B. writes: "I have gained 50 pounds since taking Tonaline and am now at just the weight I desired to be. I can recommend Tonaline to any thin person."

For women who can never appear stylish in anything they wear because of their thinness this remarkable treatment may prove a revelation. It is a beauty maker as well as a form builder and nerve strengthener.

NOTICE

For the Improvement of a Highway in Center Township, Rush County, Indiana.

Notice is hereby given that a petition has been filed in my office for the grading, draining and paving the same with cement of a highway in Center Township, Rush County, Indiana, which petition is in words and figures as follows, to-wit:

State of Indiana, Rush County, ss:
TO THE HONORABLE BOARD OF COMMISSIONERS OF THE COUNTY OF RUSH, AND STATE OF INDIANA:

The undersigned petitioners respectfully show to your Honorable Body that this petition is signed by more than fifty free holders and voters of Center Township, Rush County, Indiana. That there is an existing public highway in said Center Township, Rush County, Indiana, described as follows to-wit:

Beginning at a point at the northwest corner of Section 21, Township 13, North, Range 10 East, the same being at the intersection of the Dunreith Pike and the highway running east and west through the town of Mays at the edge of said town of Mays, running thence west over the center of the existing highway to the Section line between Sections 17 and 20 and 18 and 19, in said Township and Range, to a point where said highway intersects the Knightstown and Rushville Free Gravel road; the same being at the northwest corner of the northeast quarter of Section 19, in said township and range. Said highway being two miles in length.

Your petitioners respectfully petition that said highway be improved by grading, draining and paving the same with cement. That said highway should be improved at its present width. That the grade thereof be constructed to the width of — feet. That all necessary drains and side drains, bridges, culverts and sewer tiles therein be so constructed as to make said road a complete road.

Said petitioners show that said Center Township has no incorporated town within it which is of less than thirty thousand inhabitants.

Said petitioners would further show that the only town in said Center Township is the incorporated town of Mays, which has a population of less than one thousand inhabitants.

Said petitioners further show that said road will be of public utility and that it will be of public utility to drain, grade and pave the same as herein stated, in the width and manner herein set out and that the cost thereof will be less than the benefit thereto and that said road will not pass into or through any incorporated city or town.

Said petitioners further show that said road is less than three miles in length, to-wit: Two miles, more or less, and connects at the east end thereof with the Rushville and Dunreith free gravel road and that upon and over said road runs a United States rural mail delivery route.

Your petitioners pray that the location and improvement in all things be in accordance with the laws of the State of Indiana, governing the improvement of such highways.

Witness my hand and the seal of the Board of Commissioners of Rush County, Indiana, this 8th day of March, 1916.
(Seal) ALLEN R. HOLDEN,
Auditor of Rush County, Indiana.
March 7-14

Some Comment on Across the Border

Miss Jeannette Kling, who will appear in recital of "Across the Border" at the Graham Annex auditorium Monday evening, March 20, at 7:45 under the auspices of the Shakespeare club for the benefit of the visiting nurse fund, is recognized as one of America's most brilliant and successful readers. Her success is due no less to her personality than to her ability. Critics and press unite in conceding her all the qualities requisite for the artist—talent, grave, beauty, originality that is refreshing and versatility that is remarkable. Thus, nature, training and experience make her capable of swaying an audience. She is not an experiment by any means, but has long been recognized as a success.

"Across The Border" is read by special permission and with payment of royalty rights. It has been performed in New York, Boston and Chicago with great success and makes a tremendous appeal for universal peace. It advocates no especial doctrine and represents no especial people. It is virile, gripping, vital, memorable and an altogether unusual reading adapted to any audience. Some comments follow:

"Across the Border" appeals to me as a remarkably strong peace story, and your rendering its appeal is something altogether unusual. By giving this frequently, I am sure you will be performing a wonderful service for humanity in this remarkable appeal for universal peace. A. H. Tomlinson, Headmaster Swarthmore, Pa., Preparatory School.

Miss Kling gave her new play, "Across the Border" one of the recent successful peace plays. It is a play of absorbing interest. Miss Kling is a splendid artist and her voice is a very perfect instrument. Only such superb technique as hers would be adequate to interpret the spiritual might and intensity of this play Chicago Musical News.

Amusements

The first chapter of the thrilling serial "The Girl and the Game," will be shown tonight at the Gem. Helen Holmes is featured. "The Girl and the Game," is said to be one of the greatest railroad dramas ever written. The picture will be shown at the Gem every Tuesday. The other picture tonight is a comedy entitled "The Reformers." Fayette Perry and Alice Dovey are featured. Tomorrow the two act drama "Vindication" and the comedy "Deserted at the Auto" will be shown.

The Mystic offers a two act drama "A Difference in Opinion" for the first picture tonight. Joseph MacDermott and Mary Malatesta are featured. The second picture is a comedy entitled "Billie Joins the Navy." Billie Reeves is featured. The last is a railroad drama "Train Order No. 45," in which Helen Holmes is featured. Tomorrow matinee and night the Mystic will show the feature picture "A Modern Magdalen." Catherine Countess and Lionel Barrymore are featured.

The Princess offers a three reel comedy entitled "The Skating Rink" for the program tonight. Gertrude Bambrick, Madge Kirby and Gus Pixley are featured. It is a humor-

ous comedy based on the roller skate craze. There is a spectacular fire that makes it more interesting. In addition to this picture the one reel comedy "The Little Trespasser," will be shown. James Morrison and Jewell Hunt are featured. Tomorrow, matinee the first installment of "The Strange Case of Mary Page," will be shown. Henry Walthall and Edna Mayo are featured. The story is an interesting one and while each chapter is a complete story the entire production is one of the most thrilling serials ever produced.

Local News

Mrs. A. L. Yakey is slowly recovering from an illness.

Forrest Wolverton of North Morgan street has a case of the mumps.

Mrs. Cyrus Headlee of Gowdy is in a critical condition from pneumonia.

Miss Marjorie Hunt was the week-end guest of Miss Beatrice Austin of Gings.

Mr. and Mrs. John H. Gray were the dinner guests Sunday of Mr. and Mrs. Ryce Bishop.

Mr. and Mrs. James Alexander of this city were the week-end guests of Mr. and Mrs. Roy Alexander of Gings.

SAY BRAZIL HAS LITTLE TO GAIN

Business Men There Declare America Should Take Care of Trade Increase Proportions

CRITICIZE PRESIDENT BRAZ

Assert he Has Given Some Men an Excursion Here With Expenses Paid by Government

(By United Press.)

Rio de Janeiro, Brazil, Feb. 20.—(By Mail)—Leaders in Brazilian business circles, in addition to declaring that the United States has everything and Brazil but little to gain by the upbuilding of Pan-American trade, also are criticizing the personnel of President Brazil's selection of delegates to the Pan-American congress in Washington this year.

It is the claim of Rio de Janeiro business interests that practically all of President Brazil's appointments to this committee represent any interest but that of business. They say that Dr. Persiva Lima of this city is the only business man on the commission. They declare the others are politicians planning a sight-seeing excursion to the United States at the expense of the Brazilian government.

In these attacks it is freely asserted that Brazil has little, if anything to gain by sending representatives to the Congress. They claim Brazil has nothing to export that is not already well established in North American markets, and no amount of junketing can increase American consumption of Brazilian coffee, rubber, sugar, cocoa and crude metals. The recent American threat to place a five cent a pound import duty on coffee has been dragged into the controversy, and has been promptly dubbed an American bluff.

The Correia de Manha (Morning Mail) declares that "this threat of tax on imported coffee noticeably appears each time the reciprocity treaty between the United States and Brazil, whereby American goods is admitted to Brazil under a preferential duty, is about to expire. Brazil need not worry over this bluff. If they do place the import

duty the American consumer will pay it." As to the establishment of closer trade relations, Brazilians are perfectly willing, except that they can't see why Brazil should spend money on expensive commissioners to accomplish it. They urge that "closer trade relations" work as much if not more to the benefit of the Americans as it does to Brazil.

They add that "Yankee necessity and ingenuity" will accomplish the results desired by all. It is considered probable that the storm aroused over the personnel of the junketing committee will result in changing its membership to include more business men. Should these changes be made the commission's object would be viewed in a different light by those now its critics.

BEER HAS NOT BEEN HIT BY ENGLAND

Are Still Allowed to Import it Despite Fact That Tobacco is Prohibited.

ALSO SHORTAGE OF PAPER

(By United Press.)

London, March 4.—(By Mail)—With tobacco imports into England about to be prohibited and paper, sugar, timber and barley for whiskey-making purposes, due to be restricted, as a war measure, no proposal has yet been made to interfere with importation of brewery supplies. Why breweries and distilleries should be placed in a different category has not been explained.

One freely expressed view is that the authorities believe a beer famine's tendency would be to drive beer drinkers to the use of stronger intoxicants. Another theory is that a shortage of beer, which cannot be kept long, would be felt very soon. Against this it is argued that the timber embargo will put an immediate stop to building and furniture manufacture, that the newspapers have already been compelled to reduce their size and that warning has been given to householders to limit their sugar, candy and jam consumption. Beer drinkers, urge the critics of the restriction orders, might also fairly be asked to consume less.

EGG SHOW'S AIM IS TO BE EDUCATIONAL

Since Indiana Holds Leading Place Large Producing States, Interests Need Nurturing.

PURDUE PIONEER IN WORK

The Purdue Egg Show is to be held on the 10, 11 and 12th of May in the Agricultural Hall of Purdue University. There will be classes for fanciers, farmers, high school students, commercial poultrymen, Purdue students, and for Agricultural Experiment Stations and Colleges.

The Show is managed by Freshmen of the School of Agriculture, and is purely educational in aim and purpose. Since Indiana occupies a leading place among the egg-producing states of the Middle West, it is fitting that her poultry interests be nurtured in this way. The Show is intended to encourage the production of more and better eggs; to interest farmers in poultry-keeping as a profitable part of the farming business; and to bring the poultry interests of the state into closer touch with the Poultry Department of Purdue and the splendid work it is doing throughout the state.

Purdue is a pioneer in the conducting of egg shows, having the honor of holding the first show of the kind in the United States. From that small beginning eight years, the show has grown steadily. Each year has noted a marked increase in the number of entries and the amount of attention attracted. Such state and nation-wide interest is significant for the poultry cause in Indiana. Inquiries relative to this year's show are arriving daily and it is earnestly hoped that the people of the state will lend their hearty assistance and co-operation as in previous years.

Glycerine and Bark Prevent Appendicitis

The simple mixture of buckhorn bark, glycerine, etc., known as Adler-i-ka, astonishes Rushville people. Because Adler-i-ka acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler-i-ka is astonishing. F. E. Wolcott, druggist.

DON'T GO TO BED WITH COLD FEET

Says: "Often Brings on Attacks of Acute Rheumatism"

The cause of rheumatism is worth a pound of cure, and people who are subject to attacks of rheumatism should never go to bed with cold feet.

A whole lot of folks are about taking salts and purgative tablets for rheumatism and colic, but those who suffer from rheumatism and painful swollen joints need something powerful to overcome their piteous suffering.

Any broad-minded physician will tell you that one-half teaspoonful of Rheuma taken once a day is driving more rheumatism out of afflicted people than all the salts of earth. Right in the neighborhood Johnson's Drug Store and all druggists sell large quantities of it, and it's the surest and most inexpensive remedy—about 50 cents a bottle.

Social Calendar

Wednesday

Phi Delta Kappa business meeting in the rooms in the evening.

Penny Supper, in the basement of the First Presbyterian church at five o'clock.

Women's Missionary society of the United Presbyterian church, with Mrs. George Puntenney at 914 West Third street, at 2 p.m.

Pythian Sisters, in the K. of P. hall, in the evening.

Thimble Club, with Mrs. Will M. Bliss at 550 North Perkins street, in the afternoon.

Ladies Aid society of the First Baptist church, in the church parlors at 2 p.m.

Box Social at the First Baptist church given for the B. Y. C. D. class and their friends in the evening.

An informal dance is to be given by the Elks in their hall this evening. Mitchell's orchestra will furnish the music for the program.

Mr. and Mrs. George Austin entertained at dinner Sunday Mr. and Mrs. Roy Alexander and family, Mr. and Mrs. Gilbert Austin and Miss Marjorie Hunt. A sumptuous dinner was served at high noon to the guests.

TORTURED BY STOMACH HE FINDS REMEDY

Frankfort Man Finds Relief After Taking First Dose of Treatment.

Walter Spray of 1011 South Second street, Frankfort, Ind., for a long time suffered from disorders of the stomach, which caused him great pain.

After long and tedious efforts to find relief he at last tried Mayr's Wonderful Remedy. The results, pleasing and beneficial, came right away. In telling of his experience he wrote:

"I took your treatment and will truly say that it did me more good than all the doctors did me for months. Before I took your medicine I suffered a great deal, but since I took the first dose I have not had a bad spell. I feel that it is even more than you claim."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

Sample Shoe Parlor

The members of the B. Y. C. D., class of the First Baptist church, who have been planning unusually novel parties this year, have another one tomorrow evening in the church. The form of this one will be a box social when the girls of the class will provide the boxes.

TAFFY-PULL
Mr. and Mrs. George Austin of near Gings entertained a number of their friends at their home last evening with one of the merriest forms of amusement, that of a chicken frizz. The chicken was only one item on the deliciously carried out menu. Pulling taffy made from the fresh maple syrup made the evening a gay one for the guests.

PENNY SUPPER.
For the Penny Supper which will be given by the Band of Workers in the basement of the First Presbyterian church tomorrow evening, no recommendations are necessary for the reputation that these ladies have already established with Penny Suppers guarantees an elaborate and well cooked menu. Supper will be served at the usual hours, from 5 until 7 o'clock.

AID SOCIETY MEETING.
The Ladies Aid Society of the Ben Davis Creek church, which was held at the home of Mrs. Pearl Hinchman on Thursday, enjoyed an interesting and profitable session. During the business meeting, the following officers were elected for the coming year; president, Mrs. Clara Hinchman; vice-president, Mrs. George Austin; secretary-treasurer, Mrs. May Brooks.

SUNDAY DINNER.
Mr. and Mrs. Jesse Hungerford delightfully entertained with a chicken dinner Sunday the following guests: Mr. and Mrs. R. J. Kellam of Milton, Mr. and Mrs. Dorsey Hungerford and sons, Bernard and Cedric, Mr. and Mrs. Everett Piper and sons, Clint and Scott, Mr. and Mrs. Birney Piper and daughter, Pauline, Mr. and Mrs. Calvin Hungerford and children, Glenn and Maxine.

GOOD MEETING.
With Mrs. Willard Amos and Mrs. J. M. Amos, the Ladies Aid society of the St. Paul's M. E. church was entertained at the home of the former this afternoon. Fifty or more ladies were present to take part in the business meeting and to enjoy the pleasant social hour which followed. In the dainty repast which was served, clever little favors suggestive of St. Patrick's Day were given to the guests.

BOOK PARTY.
Mr. and Mrs. Robert Jarrett entertained at their home northeast of the city on Saturday evening with a Book Party. Other games and contests also helped to amuse the lively company of guests. Several musical numbers were furnished by the guests to whom a dainty luncheon was served near the close of the event. In this merry crowd were Mr. and Mrs. Clarence Daubenspeck and family, Mr. and Mrs. Claude Hunt and family, Mr. and Mrs. William Hinchman and family, Mr. and Mrs. Cliff Jarrett and daughter Mildred, of Rushville, Mr. and Mrs. Gilbert Austin, Mr. and Mrs. Lige Billings, Mr. and Mrs. George Austin and Miss Beatrice Austin.

CHICKEN FRIZZ
The sugar water season has provided an excuse for several affairs among them the ever popular "chicken frizz." One of the most pleasant of these was the one given last evening at the home of Mr. and Mrs. James Dill north of the city, when the supper, because it was cooked at the camp, tasted especially good. The menu consisted of chicken, beefsteak, boiled eggs and various other accompanying dishes. Light was furnished by the lanterns which added to the rusticness of the pretty scene. The crowd that enjoyed this supper and good time were Mr. and Mrs. James Dill, Mr. and Mrs. Will Dill, Mr. and Mrs. Jess Retherford, Mr. and Mrs. Hal Green and son and daughter, Aileen, Mrs. Sarah Giffin and Miss Clara Mack.

BIRTHDAY SURPRISE.

About thirty of the young people of the Flatrock vicinity surprised Miss Laura Shaw Saturday evening in honor of her twenty-third birthday, which was yesterday. The surprise was a complete one but that did not prevent the guest of honor, entering into the jollity of the affair. Music furnished by the guests, and a number of games kept the young people gayly amused until the dainty luncheon was served.

DINNER PARTY.

Mr. and Mrs. Lloyd Wagoner were the host and hostess to several of their friends Sunday when in their spacious home, they entertained with a prettily appointed dinner. A social time also followed during the afternoon hours. In this congenial company were Mr. and Mrs. Elmer Kellam, the Misses Letha Hungerford, Edith Hungerford, Frances Thompson and Clarence Weidner, Reda Alter, Paul Hungerford and Watson Miller.

HOUSE WARMING

The house warming last evening given by the Tri Kappas in honor of Mrs. Roy E. Harrold at her new home in North Perkins street, proved to be as sociable as the name suggests. The supper, furnished by the united efforts of the guests, was a delicious one and was served in buffet style. Charades which furnished the lively amusement for the evening created a great deal of merriment and informality, as the words were played in a clever and amusing style.

SUGAR CAMP PARTY

At the home of Mr. and Mrs. John Fleener near the city, a company of their friends gathered last evening to enjoy the pleasure furnished by their sugar camp. An elaborate supper, part of which was cooked at the camp, was served. Chickens had been frizzed, potatoes were baked in the coals, and taffy made from maple syrup was pulled after supper. The whole crowd of about twenty-five joined in pulling the taffy and an avoidable good time was the result. Several card games followed which brought the evening to a close.

CONGREGATIONAL SOCIAL

A unique social has been planned for the social to be given by the members of the United Presbyterian, they will be entertained at the home no doubt be a charming entertainment in Mays this evening, when of the Rev. and Mrs. McCann. The affair will be purely social and will merit for the guests. The guests will dine in families, according to the cards they draw, and will be members of the family of Roger Bean and other well known characters. Goldruh will be the waitress for the evening and will serve the delicious lunch which has been planned.

BRIDGE CLUB

The eight players composing the Tuesday Afternoon Bridge Club had another of their delightful afternoons together when Mrs. Guy Mulbarger was the hostess this afternoon. Each of these meetings have proved a social treat, as was the one this afternoon. After several merry card rounds, the guests were invited into the dining room which with a color scheme of yellow and white looked bright and springlike for the occasion. A pretty bouquet of jonquils was in the center of the table around which the ladies were seated to enjoy the elaborate luncheon, which bore the personal handwork of the hostess in its dainty appointments.

ANNIVERSARY CELEBRATED

A fifty-third wedding anniversary was celebrated Saturday, when Mr. and Mrs. Henry Hungerford, ages 75 and 72 respectively, invited several of their friends and relatives in to help in the celebration for the event. A sumptuous dinner was served as the guests enjoyed an informal good time together. The afternoon amusements included taking camera pictures of the merry group. Four generations were represented in the picture when Mrs. Henry Hungerford, Mrs. Grant Miller, Mrs. Arthur Weidner and Miss Thelma Weidner posed. In this pleasant group of guests were Mr. and Mrs. Grant Miller, Mr. and Mrs. Elmer Hungerford, Mr. and Mrs. Arthur Weidner, Mrs. Clyde Barlow, the Misses Thelma Weidner, Frances Thompson, and Winnie Barlow, and Watson Miller, Iden Hungerford,

Joseph Hungerford, Cecil, Frank, Dale and Emerson Barlow.

LOTUS CLUB.

The usual good time was enjoyed by the members of the Lotus Club when they met with Mr. and Mrs. Theodore Reed at their home in North Main street last evening. The interesting card games were followed by the service of light refreshments.

PREPAREDNESS PARTY

"Preparedness" was the subject which was cleverly carried out at the meeting of the Coterie Club yesterday when it was entertained by Mrs. D. D. VanOsdol at her home in West Third street yesterday afternoon. Flags were gracefully draped throughout the rooms, lending a patriotic atmosphere for the afternoon. In her paper on "Preparedness," Mrs. VanOsdol dealt with both sides of the subject, giving an impartial view of the popular subject. An endless amount of research was shown in the interesting facts told in the paper, which was followed by a discussion on the subject. Very appropriate was the song which Mrs. Raymond Hargrove sang, "I Didn't Raise My Boy to be a Soldier." A bugle call was the invitation which the ladies received into the dining room, which had been transformed into a "mess hall." Placards giving orders as to soldiers were on the walls, bean soup and coffee were served in tin cups with tin spoons, and several other dishes, well known for their place on the soldiers' menu were served. The luncheon was delicious as well as cleverly carried out.

MUSICALS

A good attendance of interested listeners composed the guest list of Miss Anna Poundstone when she entertained the Ladies Musicales at her home in North Harrison street yesterday afternoon. In charge of Miss Wanda Wyatt, the following program was given:
Piano Solo—Fantasia B.—Miss Marie Clawson.
Vocal Solo—Boat Song—Miss Edith Buell.
Piano solo—Prelude—Miss Olive Buell.
Piano—Birds—Mrs. C. H. Gilbert.
Vocal Solo—It is Spring Dear Heart—Miss Wanda Wyatt.
Piano Solo—Pierrette—Mrs. Ralph Miles.
Vocal Solo—His Lullaby—Miss Norma Smith.
Piano Solo—Voces—Miss Mary Smith.
Reading—Miss Frances Frazee.
A short business session followed.

Physician's Eczema Remedy

Dr. Holmes, the well-known skin specialist, writes:
"I am convinced that the D. D. D. Prescription is as much a specific for Eczema as quinine for malaria. I have been prescribing the D. D. D. remedy for years. This soothing combination of oil of Watergreen, Thymol, and other healing ingredients called D. D. D. Prescription is now a favorite remedy of skin specialists for all skin diseases. It penetrates the pores, gives instant relief from the most distressing itch. Its soothing oils quickly heal the inflamed tissues. Druggists are glad to recommend this soothing, cooling liquid, 25c, 50c and \$1.00. Come to us and we will tell you more about this remarkable remedy. Your money back unless the first bottle relieves you. D. D. D. Soap keeps your skin healthy. Ask about it. FOX BROS. DRUG STORE

Home of Clark's Purity

Not a Bite of Breakfast Until You Drink Water

Buy a glass of hot water and
phosphate prevents illness
and keeps us fit.

Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left-over waste, toxins and ptomaine-like poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash out of the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and fresh.

Those who are subject to sick headache, colds, biliousness, constipation, others who wake up with bad taste, foul breath, backache, rheumatic stiffness, or have a sour, gassy stomach after meals, are urged to get a quarter pound of limestone phosphate from the drug store, and begin practicing internal sanitation. This will cost very little, but is as efficient to make anyone an enthusiast on the subject.

Remember inside bathing is more important than outside bathing, because the skin pores do not absorb impurities into the blood, causing poor health, while the bowel pores do. Just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels.

PRIMARY HELD IN MINNESOTA

Several Candidates For President
Are Voted on in That State
Today—Was Their First.

JOHNSON ON BULL MOOSE

Name Gets There Too Late to With-
draw and he is a Technical
Candidate Just Same.

St. Paul, Minn., March 14.—The
Progressive party, technically had a
candidate for president of the Uni-
ted States in the field at the Minne-
sota presidential preference primary
today, but his name didn't get on the
ballot. The man was Hiram John-
son, governor of California, whose
name was led by Minnesota pro-
gressives.

Minnesota law provides for seven-
teen delegates to the national pro-
gressive convention. Just that num-
ber fled for the places, obviating a
contest. There was only one pro-
gressive presidential candidate.
Hence, there being no contest in the
progressive ranks, the entire pro-
gressive ticket was certified, and
left off the ballot today. The presi-
dential timber on the Minnesota bal-
lot being used today follows:

Democratic — For President,
Woodrow Wilson.

Republican—Senator Albert Cum-
mins, Iowa; Henry D. Eastbrook,
New York; William Grant Webster,
Chicago.

Prohibitionist — For President,
William Sulzer, New York; Eugene
Ross, Mass. For Vice President,
Frederick T. Wheeler, California;
Ben B. Lindsey, Denver; Findley T.
Hendrickson, Maryland.

Minnesota's first presidential pre-
ference primary went through today,
only after a fight in supreme court.
Under the law, delegates to national
conventions must pledge their sup-
port to some officially recorded ap-
pirant for the presidential nomina-
tion. Many prominently mentioned
as presidential timber, refused to
permit their names to be filed on the
Minnesota ballot. This eliminated
any delegates who wanted to go to
the national conventions for them.
It was upon this point in the law
that the two supreme court attacks
were made.

Charles E. Hughes, New York;
Theodore Roosevelt, New York; Eli-
hu Root, New York and Hiram John-
son, California, declined to permit
their names to be used. Johnson's
withdrawal got here too late.

MIGRATORY LAW STILL IN FORCE

Season of All Wild Fowl Coming
Under Statute is Closed, Fed-
eral Authorities State

NOW POWER TO SUSPEND IT

Mis-statements Due to Pending
Litigation Involving Its Con-
stitutionality

Washington, March 13.—A mis-
leading statement has recently be-
come current in newspapers of the
Mississippi Valley and elsewhere, to
the effect that the Department of
Agriculture has suspended the en-
forcement of the Federal regula-
tions under the Migratory Bird Law
and by this means has enabled
sportsmen, under State laws, to
shoot wild fowl the coming spring.

Under the Federal regulations as
they now stand, the season on all
migratory wild fowl is closed until
next autumn throughout the United
States. Federal inspectors and
wardens are required, and others in-
terested in the protection of wild
fowl are requested, to report to the
Department of Agriculture all cases
of violations of the regulations, in
order that proper action may be
taken.

The Department of Agriculture
has no power to suspend the law or
to pardon violations of the regula-
tions. Doubtless the erroneous im-
pression, on which the newspaper
statements are based, has grown out
of the pendency of litigation involv-
ing the constitutionality of the Act
of Congress approved March 4,
1913, under which the regulations
were promulgated. The lower Fed-
eral courts disagreed as to the val-
idity of the statute and the issue
was carried to the Supreme Court
of the United States. The case was
argued in the Supreme Court in
October, 1915, but has not been de-
cided. Following the lower court
decisions, Congress appropriated
money for the purpose of continu-
ing the enforcement of the law. The
Department of Agriculture is bound
to report to the Department of
Justice violations of the regulations
if the Supreme Court should declare
the law constitutional. All per-
sons should, therefore, be warned of
the danger they incur from failure
to abide by the regulations.

NOTICE

Now is the time to have your car-
pets and Rugs cleaned before the
rush and also making beautiful
Rugs, made out of your old carpets.

Read What the Users of the SIMPLICITY INCUBATORS Say

Mrs. Harold Moore says—It has given good satisfaction.
Mrs. Estella Oneal says—I am well pleased with our Incubator and it has done us good success. It
can't be beat—the Best out.
Mrs. Roll Dearing says—I think my Incubator is one among the best. It is easy to operate and
does not use much oil.
Mrs. Alva Webb says—I think they are as good as are made, for they are healthy in the house—no
coal oil fumes comes from them and they give good results.
Mrs. Wilbur Warner says—Think it is fine. Got 105 chicks out of 110 eggs the last hatch. Got 160
from the first two hatches.
Mrs. Vern Harlow says—Just fine is enough to say. Good hatch and strong, healthy chickens,
also a good word for my None-Such Brooder.
Mrs. John Lucas says—I set my Incubator five times. I put 110 eggs in and I got on an average
of 80 healthy chicks. I was well pleased.
Mrs. Jess Gray says—I think the Simplicity is all right—have had good hatches.
Mrs. Ora Beckner says—I had splendid hatches with my Incubator—have hatched from 82 to 96
chicks every time so far.
Mrs. O. M. Harlan says—I like it very much—it is all right.
Mrs. Frank Hensley says—We have one of your Incubators and it is a good one.
Mrs. J. M. Maple says—I use the None-Such Brooder and I think it is fine, have used it one year,
and would not do without it as long as I raise chickens.
Mrs. Idanna Ellison says—I like my Incubator as well as any I have seen, and it does as good work
as any I have seen of that any of my neighbors who have other kinds.
Mrs. Roy Hensley says—I think my Incubator is very nice.
Mrs. Charles Lewark says—I think that my Incubator is just fine. Set it three times and it has
hatched good every time.

The above says in plain words that the Simplicity is a real Incubator and one that can be depended
on, and this means a good deal to you. What the above have done you can also do.
If you are interested in Incubators why not buy the best one that is being successfully used in 125
homes in Rush County.

Yours very truly,

ONEAL BROS.

Forever Looking for the New

Our Buying Policy is Exactly the Same as
Our Selling Creed.

We want the new things in Coats and Suits just as soon as you want them. And so we have instructed the manufacturers from whom we buy to express to us only the most recently designed garments

So if You Are Shopping for the New Spring Styles, Come and See Our Selection.

It is our constant aim to please you with everything up-to-date. Compare our showing with others and purchase only where you are completely satisfied. Satisfaction with us means not only when you buy; but as long as you wear the garment.

THOUSANDS OF YARDS OF SPRING AND
SUMMER WASH GOODS

It makes no difference whether you expect to make an early selection of Dress Fabrics or not; we know that it will be well worth your while to come and at least examine the beautiful collection of new styles we have here for you.

"INTO MEXICO BY TONIGHT" IS CRY

General Funston Says There Will be
no Delay Once The Troops
Are Concentrated

AERO SQUADRON ARRIVES

(By United Press.)

San Antonio, Texas, March 14.—"Into Mexico by tonight," was the opinion expressed here today by experienced military men who have been closely watching the work of preparation. That the expedition is ready to start is indicated by General Funston himself, who stated there would be no delay once the troops are concentrated.

The first aero squadron composed of ten officers and eighty enlisted men, is due at El Paso today, with eight military aeroplanes and equipment.

LAUNCH HEAVY ATTACK

Germans Renew Efforts Near Verdun But Are Repulsed

(By United Press.)

Paris, March 14.—After 36 hours of continuous bombardment the Germans last night launched a heavy attack against Haudremont forest, northeast of Verdun and in the Le Pretre forest, 45 miles to the southeast. These attacks were broken up by French artillery, the office announced this afternoon.

Exit Headache—

A headache is a warning—heed it. Usually the cause is constipation—cure it. That's easy. Take an occasional teaspoonful of

On sale at Frank E. Wolcott's Drug Store

This Great Kidney Medicine Fulfills Its Mission.

I was afflicted with bladder trouble, I suffered such great pain that the doctor had to take my urine. After the doctor had treated me for two weeks, I did not get any better. Remembering that a few doses of Dr. Kilmer's Swamp-Root completely relieved my Mother-in-Law, after all the doctors who were called on her case had failed to do her any good I asked my husband to get me bottle of Swamp-Root, which he did, and I took it and threw the doctors' preparations away, because after I started taking Dr. Kilmer's Swamp-Root I was greatly relieved. My husband was so pleased he said I should take one dozen bottles of Swamp-Root, but by the time I had taken seven bottles I was completely restored to health. That was six years' ago and I have not taken any medicine since. My weight is 195 pounds, have three children, do my work in a house of twelve rooms, and keep boarders. Very truly yours,

MRS. ANNE BAUGHMAN,
657 Newell St. Barberton, Ohio.
Personally appeared before me this 19th day of December, 1914, Mrs. Annie Baughman, who subscribed the above statement and made oath that the same is true in substance and in fact.

W. A. MORTON, Notary Public
Letter to Dr. Kilmer & Co.,
Binghamton, N. Y.

Prove What Swamp-Root Will do For You

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Rushville "Daily Republican." Regular fifty-cent and one-dollar bottles for sale at all drug stores.

STATED MEETING

A stated meeting of Phoenix lodge No. 62, F. and A. M. will be held Tuesday night and there will be work in the F. C. degree.

IS NAMED JUDGE PRO TEM

T. M. Green Will be in Charge During Sparks' Absence

During the absence of Judge Will M. Sparks who has gone to Noblesville to act as special judge in the criminal case against E. M. H. Shaw, Thomas M. Green will have charge of the circuit court here. He was made judge pro tem by Judge Sparks last evening before he left for Noblesville. In case anything should arise that needs immediate attention, Mr. Green is empowered to handle it. Judge Cloe of Noblesville will be here Thursday to act as special judge in the Bess-Morgan case.

HAD TO MAKE OWN LIVING

Iva Ricketts Treated Cruelly by Husband, Complaint Says

Mrs. Iva Ricketts has filed suit for divorce from Forest Ricketts, alleging cruel and inhuman treatment. Mrs. Ricketts claims that he cursed and abused her and forced her to make her own living. According to the complaint, they were married August 6, 1912 and separated March 1, 1916. She says that he abandoned her without means of support and that she was forced to go to the home of her mother. Mrs. Ricketts asks the custody of their two children and the sum of four dollars a week for their support. Morgan and Ketchum represent the plaintiff.

FIRST DEGREE

Franklin Lodge No. 35, I. O. O. F. will have work in the first degree Wednesday evening with a class of fifteen. On March 22, will have a class of 36 for the second degree. Members are invited to attend and witness the work. Music by the orchestra.

Washing Won't Rid Head Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

START SPRING TRAINING

Portland Team is Strengthened by Several Eastern Players.

(By United Press.)

Portland, Ore., March 14.—Arriving late today at the spring training grounds at Sacramento, Manager Walter McCredie and his players will start the three weeks' training season tomorrow. Other members of the Portland team are en route to Sacramento from all points of the compass. Bobby Vaughn, the new captain, is coming from St. Louis, Wylie, Nixon and Harstad, recent acquisitions from the Cleveland Americans and Al Sothron, who pitched for Wichita last year, will be there. Byron Houck, who looked good to Cornelius McGillicuddy several seasons ago, and Catcher Fish from the Phillies, are other easterners who have joined the Beavers.

NO TROUBLE OVER SILIUS

Germans Will Disavow Sinking of Vessel if Done by Them

Washington, March 14.—Trouble between the United States and Germany over the sinking of the Norwegian bark Silius is altogether unlikely, it was said on the best of German authority today. Should it be proved that a German submarine torpedoed the bark without warning, endangering the lives of several American sailors, Germany, it was said, would undoubtedly disavow the act of the submarine commander and make all reparation required.

RECEIVED WITH VARIED EMOTION

Continued from Page 1.

made in the interest of my own candidacy, I have not attacked any other candidate, in speech, literature or otherwise, and have used my best efforts to advance the interests of the Republican party wherever I have been. I have never followed any other plan of campaign.

"According to The Indianapolis Star, omitting Marion County, the remaining ninety-one counties of the state have given me about 7,000 more votes than my nearest competitor, and I have carried the substantial and reliable Republican counties of the state.

"In view of this expression of party confidence, it is my obligation to my party and to my friends to have my name presented to the state convention."

ONE DATE WRONG

The eight year diploma examination for Jackson township at Osborne school was announced yesterday from the county superintendent's office as March 18, but the date is April 15 instead.

Farm Loans---

Mortgage Money

Notwithstanding the marked increase in prices now being made in a number of lines of business, MONEY for INVESTMENT in Real Estate Mortgage Loans is comparatively easy, and we are in position to make exceptionally favorable terms.

OUR FIRST MORTGAGE LOANS for One—Three—Five Years are made at the very lowest rates and on the best terms with excellent prepayment privileges.

OUR 20 YEAR FARM LOANS at 6 per cent interest, with no COMMISSION, should also be attractive, as it is a New Proposition for Farm Loans, and one that will pay You to Investigate. Prepayments to be made 5 per cent on the principal each year. If it becomes necessary for the borrower to pay his loan before the end of five years, he may do so, at the end of any year, by paying small bonus on unpaid principal for the remainder of the five years. After five years the borrower may pay \$100.00 or any multiple thereof at any interest time, and paying accrued interest to time of payment. Interest ceases on all partial payments made.

IF INTERESTED IT WILL PAY YOU to Learn of the various Plans we have to Offer before making definite arrangements for Your Renewal Loan or Your New Loan.

OUR TERMS AND RATES are the very best offered anywhere.

WHERE YOU BUY FOR LESS

Why Not Make an Early Selection of

Your vehicle needs? Our opening on MARCH 17th and 18th will give you the opportunity to make a selection from the most complete line of vehicles ever shown in Rush County. Do not wait until they are picked over, but get in on the days of our opening and see what we have to offer you. You will be surprised to find that we have just the style buggy you want, just the color and you will think we ordered it just for you. Then your neighbors will find just what they want and everybody will be happy and have a good time. Every vehicle we sell is guaranteed to be just as we represent it and has to be that way. That is one reason our vehicle business grows. Every vehicle user knows he can't lose on one of our vehicles, because they have to be right.

We also have a complete line of harness and can save you money on a complete outfit. Don't forget the date MARCH 17th and 18th, and make arrangements to be here. You will see things and learn things that will do you good.
